

Getting started with Pageburst is easy!

You must complete both steps to access your Pageburst titles.

step 1

Register your titles

- Begin by going to <http://evolve.elsevier.com/redeem> and click **STUDENT ▶**
- If you have an Evolve account, **Login ▶** If not, create a password and **Continue ▶**
- If you are creating an account, enter your information. *Accept the agreement.*
- Type in your access code and click **SUBMIT**

You have just completed Step 1! Please proceed to Step 2.

step 2

Access your titles

You can access your Pageburst titles three ways: *offline, online and on your Apple™ mobile device.*

To download your Pageburst titles for **offline access**:

- Go to <http://www.vitalsource.com/software/pageburst>.
- Click the  to choose Windows or Macintosh.
- Click the  to download your Pageburst reader. Choose to **Save** the setup file in a folder.
- When download is finished, go to that folder and run the setup.exe file.
- **Accept** agreement, enter your name, and click **Install** to proceed.
- Double-click  Pageburst reader from your desktop.
- Click **Sign-in...** then enter the email address you used for Evolve and your Evolve password and click **OK**.
- Click  **All Titles** to display your Pageburst library, and then click on the title of your book.
- Click the **Download** button near the bottom of the screen.

Once your book has downloaded, you can begin using Pageburst. Congratulations!

To access Pageburst **online**:

- Login with your Evolve account at <http://evolve.elsevier.com>
- Click on (+) Pageburst/Evolve eBooks and then [Go to Pageburst/Evolve eBooks](#) to access your titles.

To access Pageburst on your **Apple™ iOS mobile device**:

- Go to the [Apple App Store](#).
- Download the VitalSource Bookshelf app.
- To sync your library, enter the same email address and password you used to register for Pageburst.
