Delivering solutions to support your program goals.

2018 CURRICULUM CATALOG for Surgical Technology

myevolve.us/SurgTech2018
Delivering solutions to support your curriculum goals

Evolve is your one-stop online resource for exploring all of the products and services we offer to help you create a custom curriculum solution.

Table of Contents
- All-Curriculum 4
- Anatomy & Physiology 4
- Basic Science 5
- Instrumentation 5
- Medical Terminology 5
- Pathology & Pathophysiology 6
- Pharmacology 6
- Professionalism 6
- Reference 6
- Review 6
- Surgical Procedures 6

Featured Titles in Surgical Technology

Nemitz
**Surgical Instrumentation: An Interactive Approach, 3rd Edition**
See page 3

Rothrock
**Alexander’s Care of the Patient in Surgery, 16th Edition**
ISBN: 978-0-323-47914-1
See page 3

Hubert & VanMeter
**Gould’s Pathophysiology for the Health Professions, 6th Edition**
See page 4

Chabner
**Medical Terminology: A Short Course, 8th Edition**
See page 4
Help students master the identification, purpose, and set up of instruments for surgical procedures

- **NEW!** Content on robotics instruments
- **NEW!** Additional close-up/inset photos with existing instruments
- **NEW!** Chapter covering common Mayo stand and back-table setups

Included with the text...

**EDUCATOR RESOURCES ON EVOLVE**
- Image collection
- PowerPoint® slides

**STUDENT RESOURCES ON EVOLVE**
- Instrument flash cards
- Animations (small and large fragment kits)
- Chapter quizzes

Step-by-step guidelines and nursing considerations for over 400 perioperative surgical procedures

- **Comprehensive practice exam** on Evolve features 300 exam-style questions with rationales
- **NEW!** Robotic-Assisted Surgery boxes highlight this rapidly expanding surgical modality
- **Patient Engagement Exemplar boxes** address AORN guidelines on issues of patient care and involvement of the patient’s family to optimize surgical outcomes

Included with the text...

**EDUCATOR RESOURCES ON EVOLVE**
- TEACH instructor resources
- PowerPoint® slides
- Test bank

**STUDENT RESOURCES ON EVOLVE**
- Competency checklists
- Practice exam
- AHRQ case studies
NEW EDITION!

A concise, easy-to-understand introduction to the fundamentals of pathophysiology

- UPDATED! All chapters include new data on major diseases and other changes in guidelines and the literature, reflecting latest developments in pathophysiology
- Disorder discussions follow a logical and consistent “building block” approach
- Concise and readable approach includes the information students need without overwhelming them

December 2017
Also available as an ebook

NEW EDITION!

Quickly build students’ knowledge of medical vocabulary

- Self-teaching text/workbook approach reinforces learning with labeling diagrams, pronunciation tests, and review sheets throughout
- Ideal for helping students with no background in health care to quickly grasp and retain medical terminology
- Picture Show activities, practical case studies, and vignettes demonstrate real-life applications of medical terms

October 2017
Also available as an ebook

**Set students on a PERSONALIZED PATH to SUCCESS with Elsevier Adaptive Solutions!**

Elsevier Adaptive Learning (EAL) and Elsevier Adaptive Quizzing (EAQ) are two dynamic study tools that help students learn more efficiently, come to class more prepared, and perform better on course exams.

Both EAL and EAQ are easy to incorporate into your curriculum, and students love the personalized, self-paced learning experience.

Be sure to ask your Elsevier Education Solutions Consultant about money-saving packages and custom bundles!

**Total Education And Curriculum Help (TEACH)**
TEACH is your complete curriculum solution, offering a consistent structure to connect your curricula, empower faculty, and maximize learning outcomes.

**Simplify course preparation**
- Ready-to-use lesson plans
- Class planning checklists
- Assessment questions
- Classroom activities

**Engage students more effectively**
- PowerPoint® slides with talking points
- Thought-provoking discussion questions

**Confidently launch a new program**
- Online curriculum guide
- Educator forums
- Personalized support
Elsevier is passionate about education. Our motivating goal in everything we do is preparing today's students for successful healthcare careers. How do we accomplish this? We make sure that today's higher learning institutions and educators are well equipped with the latest information, learning technology, and assessment tools so they can effectively guide students in becoming tomorrow's leading health science experts and caregivers.
