EMPOWER your programs, pass rates, and students’ exam performance with HESI

We’ve combined the expert exam development of HESI and trusted content from Elsevier texts to provide you and your students with a preparation, testing, and remediation solution like no other. It’s everything you need to help students excel throughout your program, track their progress, and prepare them to confidently pass the NCLEX-RN® exam.

**PRACTICE**

**HESI RN Patient Reviews**
Didactic, knowledge-based patient activities teach and assess retention of clinical content and build students’ confidence before they experience actual clinical situations.

**HESI RN Practice Test**
Practice questions written at the application level reflect the standardized item testing formats they will encounter on the licensure examination. Provides detailed answers and rationales.

**HESI RN Case Studies**
Challenge students to apply key concepts and develop their clinical judgment by answering questions and viewing rationales for a range of realistic patient scenarios.

**EXAMS**

**HESI Admission Assessment (A2) Exam**
Assess program applicants’ basic skills and personality and learning styles to select and place prospective students and improve program retention and pass rates.

**HESI RN Specialty Exams**
Measure students’ abilities to apply concepts related to specific clinical nursing content areas throughout the nursing curriculum.

**HESI RN Custom Exams**
Provide Elsevier with your course syllabus or curriculum, and our expert nurse educators will prepare a customized 50-, 75-, or 100-question exam for your program.

**HESI RN Exit Exam**
Measure students’ readiness for the NCLEX-RN® examination with question formats and an exam blueprint matching the latest NCLEX-RN® examination test plan.

**HESI RN Computer Adaptive Test (CAT)**
Provide an individualized testing experience that simulates the NCLEX-RN® exam environment with a tailored item selection exam based on students’ performance on previous items.

**REVIEW**

**HESI Admission Assessment Exam Review, 4th Edition**
Prepare students for their admission assessment exam with comprehensive content review and more than 450 practice test questions on the topics typically found on admission exams.

**HESI/Saunders Online Review for the NCLEX-RN® Exam, 2nd Edition*”**
Self-paced NCLEX-RN® review equipped with 2,500 NCLEX® exam-style review questions, insightful test-taking strategies and rationales with each question, strategic HESI videos, and much more!

*A tool designed to support NCLEX-RN® exam preparation, NOT a predictor of success on the HESI Exit Exam.

**HESI Live Review**
With personalized, onsite instruction by our expertly trained nurse educators, HESI Live Review courses can be customized using your program’s aggregate results to focus on the topical areas where your students need the most help.

**HESI Comprehensive Review for the NCLEX-RN® Examination, 5th Edition**
Prepare your students to not only pass their NCLEX-RN® exam, but also their HESI Exit Exam with this concise, all-in-one review.

**REMEDICATION**
Your students benefit from personalized electronic remediation from trusted Elsevier texts, case studies, practice questions, activities, and multimedia, targeted specifically to each student’s unique knowledge deficits. Remediation reports help you keep track of students’ remediation progress.

**REPORTING**
Detailed diagnostic reports are provided for both students and educators. These invaluable reports not only give you insight into individual student exam performance, but also overall program performance. With HESI Report Builder you can also create your own customized reports to track trends within your program and among cohorts.

**EXAM SECURITY**
HESI exams contain numerous functionalities to ensure that each exam remains secure at the highest level.

### Featured Titles

#### Nursing Interventions & Clinical Skills, 7th Edition

*Perry, Potter & Ostendorf*

*March 2019*

*ISBN: 978-0-323-54701-7*

- **NEW!** 2017 Infusion Nurses Society standards for administering IVs are incorporated throughout, as well as other changes in evidence-based practice.
- **NEW!** Additional and updated photographs highlight changes in skills practice, such as the new INS standards, to visually reinforce the most current and safe practices.
- **NEW!** SBAR documentation samples help students better understand how to quickly and effectively communicate their patient’s condition, their assessment, and their recommendations.

#### Fundamentals of Nursing: Active Learning for Collaborative Practice, 2nd Edition

*Yoost & Crawford*

*March 2019*

*ISBN: 978-0-323-50864-3*

- **UNIQUE!** Learning outcomes and content, review, and exam questions are keyed to learning objectives, making content easy to find and understand.
- **UNIQUE!** Building-block approach starts with core content and builds to more complex concepts as student progress.
- Interprofessional education content is incorporated throughout, with new IPE activities integrated into the Evolve resources for both students and instructors.
- Integration of complementary therapies mirrors changes to the NCLEX® exam.

*Giddens, Caputi & Rodgers*

*March 2019*

*ISBN: 978-0-323-55460-2*

- **NEW and UNIQUE!** New Conceptual Teaching Strategies for Clinical Settings chapter addresses conceptual learning during simulation and lab experiences, as well as “live” clinical experiences.
- **NEW and UNIQUE!** A new chapter on thinking conceptually explores the future of CBC, taking CBC beyond nursing into interprofessional collaboration, and the next steps in the evolution of conceptual thinking.
- **UPDATED!** Completely updated content reflects the latest research evidence in the neuroscience of learning, as well as best practices in concept-based curriculum design and instruction.

#### Physical Examination & Health Assessment, 8th Edition

*Jarvis*

*February 2019*

*ISBN: 978-0-323-51080-6*

- **NEW!** Thorough integration of QSEN and interprofessional collaboration content emphasizes how to enhance patient safety and how to collaborate with other health professionals for optimal patient outcomes.
- **NEW!** Expanded coverage of LGBTQ issues and a revamped and refocused Cultural Assessment chapter equip students to provide more effective, patient-centered care.
- **NEW!** Standalone Vital Signs chapter and refocused nutrition content include an increased emphasis on obesity, which is a national epidemic in the U.S.

FEATURED TITLES

Pharmacology and the Nursing Process, 9th Edition
Lilley, Rainforth Collins & Snyder
February 2019

- NEW! Thoroughly updated drug content reflects the very latest FDA drug approvals, withdrawals, and therapeutic uses, as well as corresponding updated nursing content.
- NEW and UNIQUE! Many new images in the Photo Atlas of Drug Information accompany difficult concepts such as demonstrating drug physiology.
- NEW! Additional practice questions help students better comprehend complex concepts.

Priorities in Critical Care Nursing, 8th Edition
Urden, Stacy & Lough
February 2019

- UPDATED! Revised content throughout addresses the latest evidence-based national and international practice guidelines, as well as the latest healthcare technology.
- UNIQUE! Interprofessional focus includes the integration of Interprofessional Collaborative Practice Competencies such as values/ethics, roles/responsibilities, interprofessional communication, and teams and teamwork.
- UPDATED! Thoroughly revised case studies reflect current trends in critical care disorders and management, as well as a variety of high-acuity, progressive, and critical care settings.

Foundations of Interprofessional Collaborative Practice in Health Care
Slusser, García, Reed & McGinnis
October 2018

- UNIQUE! Three-part units each address one of the four IPEC® Core Competencies to help students understand the competencies and learn to apply them in practice.
- UNIQUE! Detailed explorations of each sub-competency for all four IPEC® Core Competencies thoroughly present the essential elements of each competency to give students a deep understanding of how to collaborate with other professions.
- UNIQUE! Case Studies, Caselets, and Exemplar Case Studies illustrate each competency and provide opportunities for students to apply their understanding of the material.

Nursing Diagnosis Handbook: An Evidence-Based Guide to Planning Care, 12th Edition
Ackley, Ladwig, Makic, Martinez-Kratz & Zanotti
March 2019
ISBN: 978-0-323-55112-0

- NEW! Includes the new 2018-2020 NANDA-I approved nursing diagnoses, including 10 new diagnoses.
- UPDATED! Every care plan includes the latest NIC/NOC, interventions, and rationales.
- UPDATED! Extensive guide to nursing diagnoses now includes Zika virus, Ebola virus, and C. Diff infection.

All titles also available in ebook format.
According to research conducted by the National Council of State Boards of Nursing, the use of simulation for up to 50% of the clinical experience is an effective strategy for preparing pre-licensure students for nursing practice.

Elsevier’s simulation solutions are easy to incorporate into your classroom and offer realistic, hands-on experience in a controlled and monitored environment.

**SimChart — Educational EHR**

**Virtual Clinical Excursions — Online hospital experiences**

**Simulation Learning System — Evidence-based simulation scenarios**

**Clinical Skills — Web-based skills training**
