# SimChart<sup>®</sup> for the Medical Office

Simulating the patient data systems of a modern-day medical office, this unique program works in tandem with a variety of Elsevier texts to **give students realistic practice performing all the necessary skills required of a medical assistant, medical administrative assistant, medical biller, or medical coder.**

**LEARN MORE** at [myevolve.us/MedOffice2021](http://myevolve.us/MedOffice2021)

**STEP 1**

## **Familiarize students with the medical office workflow**

Perfect for comprehensive medical assisting, administrative medical assisting, clinical medical assisting, and medical office administration programs. Access to SimChart for the Medical Office included with purchase.

ISBN: 978-0-323-82431-6

## STEP 2

### Give students a deeper understanding of EHR use in the medical office

A great fit for comprehensive medical assisting, administrative medical assisting, clinical medical assisting, and medical office administration programs, as well as programs with a standalone EHR course.

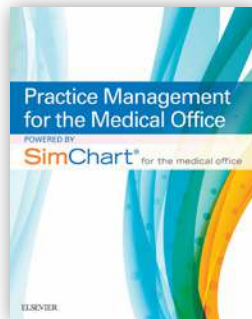

ISBN: 978-0-323-64265-1

## STEP 3

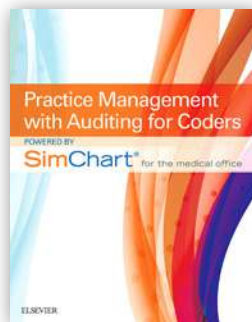

### Choose a practice management resource to help students master insurance and claims processing

Ideal for comprehensive medical assisting, administrative medical assisting, medical office administration, and billing and coding programs. Suited to programs with separate insurance courses, and those who teach claims processing, practice management, or EHR specialist courses.

ISBN: 978-0-323-43012-8

Perfect for medical billing and coding or medical office administration programs.

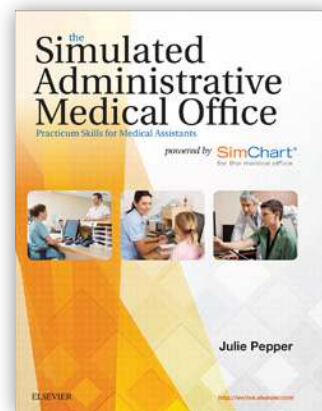

ISBN: 978-0-323-43011-1

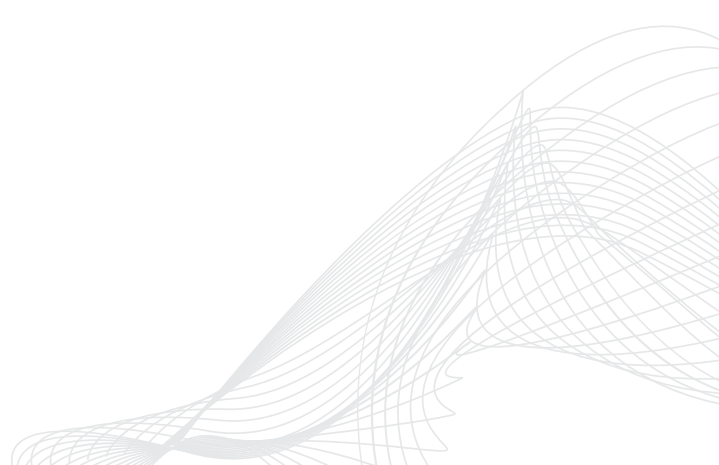

## STEP 4

### Strengthen student proficiency with simulated medical office experience

Excellent for comprehensive medical assisting, administrative medical assisting, and medical office administration programs.

ISBN: 978-0-323-35393-9
