

Evolve: Registering as an Instructor on Evolve

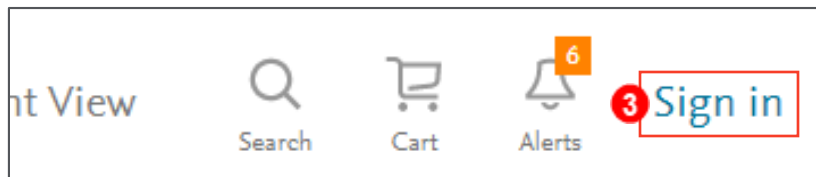

1. To create an instructor account on Evolve, start by visiting the Evolve site at <https://evolve.elsevier.com>.

2. Click the **I'm an Educator** button.

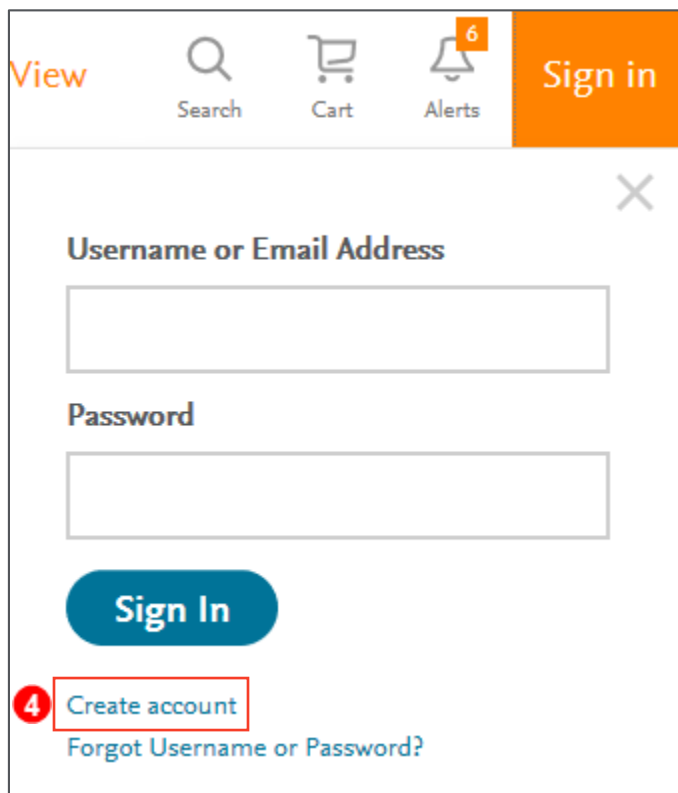

NOTE: Only qualified educators are eligible to obtain instructor resources.

3. On the following page, click **Sign in** in the upper-right corner.

4. In the window that drops down, click the **Create account** link.

5. Select the **Faculty** button and enter your **First name**, **Last name**, and **Email address** (*your institutional email address is preferred, or a personal one if not available*).
6. Enter and confirm a **Password** for your account.
NOTE: Your password must be at least eight characters, and contain at least one number, one upper-case letter, and one lower-case letter.
7. Check **I reside in the United States** or **I do not reside in the United States**.
8. Check the **I'm not a robot** box. A pop-up appears, having you verify you are not a robot. Select all appropriate images and click **VERIFY**.
9. Click **Submit** to complete your registration.
NOTE: You may have additional sections asking for information about your institution or billing/shipping address, depending on where you initially encounter the registration form, such as if you redeem an access code, or request items from the catalog and must register to complete the item request.

The image shows a registration form titled "Create an Account" and a reCAPTCHA verification pop-up. The form has several fields and buttons, with red circles and arrows indicating the steps to follow. The reCAPTCHA pop-up shows a grid of images with the instruction "Select all images with crosswalks" and a "VERIFY" button.
