NOTE: Depending upon the Sherpath collection you are using, the modules will be arranged either by topics or by book chapters.

Adding a Week

1. To get started, click on the link to Sherpath within your course.
2. The Course Plan page appears.
3. To add a week to your course, scroll down to the bottom of the Course Plan page. Click **Add Week**.

4. It will automatically add the new week as the last week on the page.

5. Your week has been added!
