Elsevier Adaptive Quizzing

Elsevier Adaptive Quizzing (EAQ) integrates seamlessly into your course to help students of all skill levels focus their study time and effectively prepare for class, course exams, and summative exams. **EAQ** is comprised of a bank of high-quality practice questions that allows students to advance at their own pace — based on their performance — through multiple mastery levels for each chapter. A comprehensive dashboard and reporting capabilities enable you to monitor the activity of individual students, assess overall class performance, and identify areas of strength and weakness, ultimately helping to achieve improved learning outcomes.
