2024 Curriculum Catalogue for Canada

Delivering solutions to support your program goals.
Elsevier’s Canadian Nursing Curriculum Solution

Elsevier is the only education provider that can deliver everything needed to support your Canadian nursing program in one solution.

Build Knowledge
Elsevier helps students cultivate content mastery throughout the curriculum with engaging technology that complements our market-leading textbooks to ensure they both learn and understand the key concepts that form the foundation for their success.

- Textbooks — Print and eBooks
- Evolve Resources
- HESI® RN Patient Reviews
- Sherpath® with Elsevier Adaptive Quizzing
- Sherpath Vantage
- Osmosis® Videos within Sherpath

Apply Clinical Judgement
Whether students are developing their understanding of a broad range of patient situations or honing their clinical judgement abilities in preparation for patient interactions, Elsevier delivers content-based scenarios that allow students to practice in safe, learning-based environments.

- Shadow Health®
- Simulation Learning System for RN
- Simulation Learning System for RN with Virtual Reality
- HESI RN Case Studies
- Clinical Skills
- SimChart®

Assess & Review
Monitor performance from day one with practice quizzing and assessment tools that allow students to master content along the way and evaluate their progress at key points in your program. When the time to take the NCLEX-RN® draws near, students can prepare with content review and adaptive quizzing that help them gain the skills and confidence they need to pass the first time.

- Elsevier Adaptive Quizzing
- HESI RN Specialty Exams
- HESI RN Practise Test
- HESI RN Exit Exam
- Elsevier’s Assessment Builder
