

2024 Curriculum Catalog *for* Nurse Practitioner

Delivering solutions to
support your program goals.

Elsevier's Nurse Practitioner Curriculum Solution

Elsevier is the only education provider that can deliver everything needed to support your Nurse Practitioner program in one solution.

Build Knowledge

Elsevier helps students cultivate content mastery throughout the curriculum with engaging technology that complements our market-leading textbooks to ensure they both learn and understand the key concepts that form the foundation for their success.

-  Textbooks — Print and eBooks
-  Evolve Resources
-  Sherpath® with Elsevier Adaptive Quizzing
-  Osmosis® Videos within Sherpath

Apply Clinical Judgment

Whether students are developing their understanding of a broad range of patient situations or honing their clinical judgment abilities in preparation for patient interactions, Elsevier delivers content-based scenarios that allow students to practice in safe, learning-based environments.

-  Shadow Health®

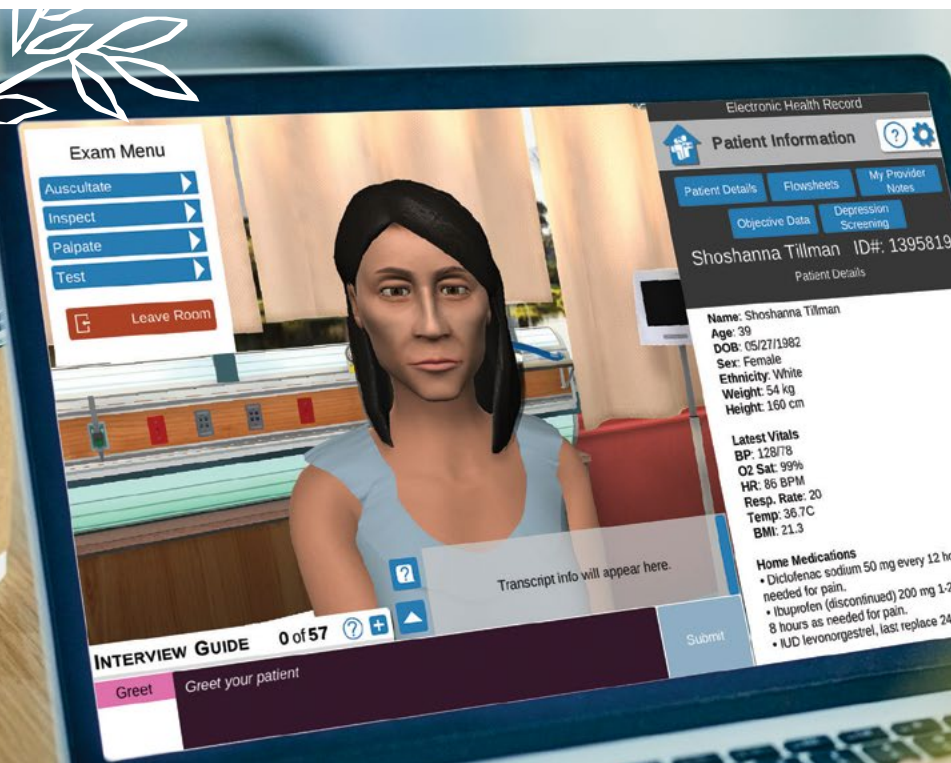

Assess & Review

Monitor performance from day one with practice quizzing and assessment tools that allow students to master content along the way and evaluate their progress at key points in your program.

-  HESI® Specialty Exams
-  HESI® Exit Exam

Shadow Health®

Help students master **clinical reasoning** through meaningful interactions with digital standardized patients.

This realistic, screen-based simulation experience challenges students to apply their knowledge by practicing therapeutic communication and clinical intervention in a safe environment with diverse and unfolding patient scenarios.

Shadow Health is available for the following specialty areas:

- Advanced Diagnostics
- Advanced Health Assessment
- Advanced Pathophysiology
- Advanced Pharmacology
- Advanced Primary Care: Adult
- Advanced Primary Care: Mental Health
- Advanced Primary Care: Pediatrics
- Advanced Primary Care: Women's Reproductive Health

> LEARN MORE at myevolve.us/np24

Prepare students for clinical settings

Shadow Health's Digital Clinical Experiences™ offer groundbreaking simulations that enable students to practice applying their clinical judgment through realistic interactions with virtual patients, while allowing instructors to truly quantify students' clinical reasoning skills.

NEW EDITION!

Prepare your adult primary care students to provide interprofessional collaborative care

- **NEW!** Additional chapters provide the latest information on key topics such as health equity, public health preparedness, endocannabinoids, and self-care.
- **Comprehensive, evidence-based, accurate, and current content** provides a complete foundation in the primary care of adults for NP students, including students in Doctor of Nursing Practice (DNP) programs, and reflects the latest research and national and international guidelines.
- **UNIQUE!** Interprofessional collaborative approach equips NP students for interprofessional collaborative practice in the contemporary healthcare environment.

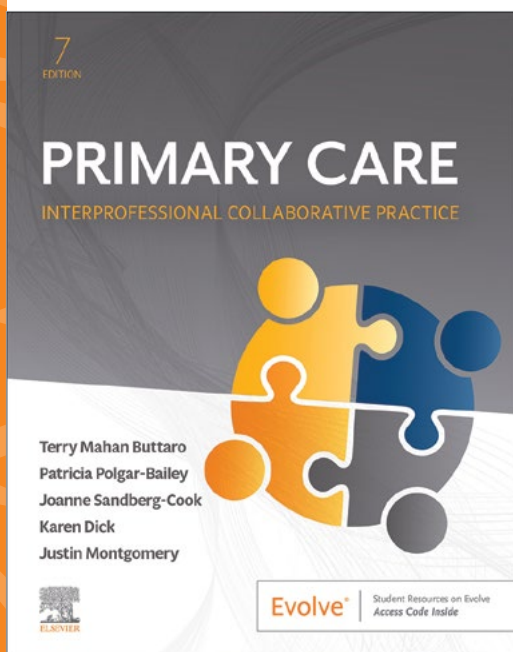

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- Test bank
- PowerPoint® slides with discussion questions and case studies
- Image collection

STUDENT RESOURCES ON EVOLVE

- **NEW!** Review questions

April 2024 • ISBN: 978-0-323-93584-5

Also available as an ebook

NEW EDITION!

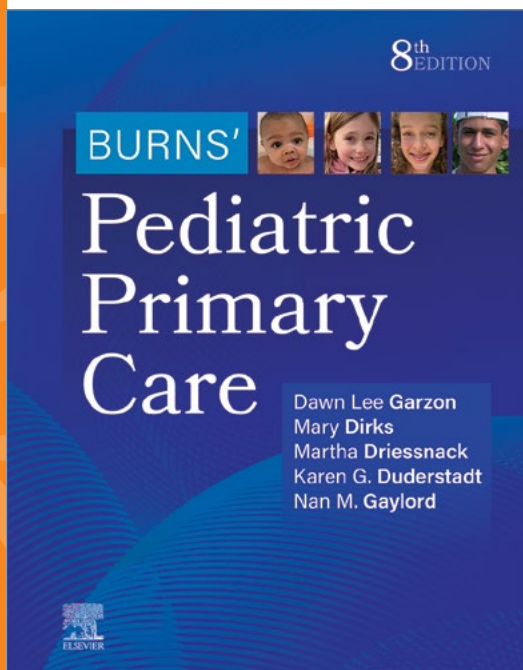

Give your students a comprehensive foundation in pediatric primary care

- **NEW!** Three new chapters — *Child Maltreatment; Inclusivity, Equity, Diversity, and Justice; and Pediatric Palliative/End-of-Life Care.*
- **NEW!** Themes incorporated throughout the book include **unique epidemiologic health influences, social and environmental influences of health**, and the influence of telehealth and non-traditional appointment types.
- **Comprehensive content** provides a complete foundation in the primary care of children from the unique perspective of the Nurse Practitioner and covers the full spectrum of health conditions seen in the primary care of children, emphasizing both prevention and management.
- **Highlights indicate situations that require urgent action, consultation, or referral** for additional treatment outside the primary care setting.

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- Test bank
- Conversion guide
- PowerPoint® slides
- Image collection
- **NEW!** Review questions for classroom discussion
- **NEW!** 10 case studies with answers

March 2024 • ISBN: 978-0-323-88231-6

Also available as an ebook

NEW!

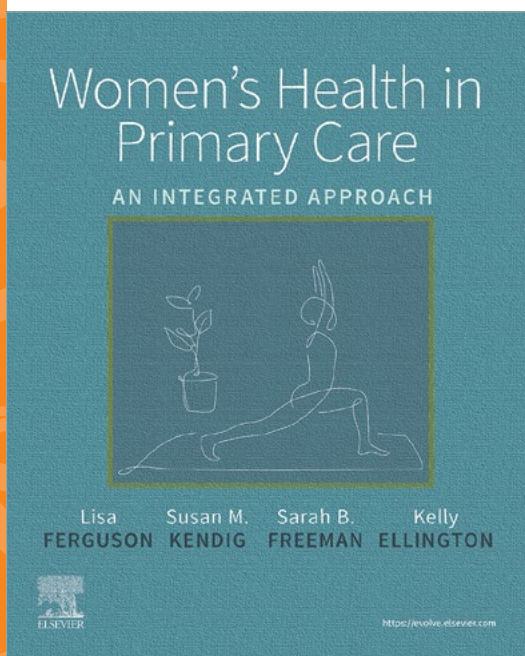

A holistic, evidence-based foundation in women's health for primary care providers

- **UNIQUE!** Holistic, woman-centered approach to women's health for primary care addresses the full breadth of women's health content, including foundational concepts, well-woman care throughout the lifespan, and primary care management of common conditions affecting women.
- **UNIQUE!** Evidence-based content, organized by the latest AWHONN/NPWH and national well-woman guidelines, features a rigorous basis in the latest research and national and international clinical guidelines for women's health.
- **Strong emphasis on patient diversity, interprofessional collaboration, and clinical integration** examines LGBTQ+ issues, global health, underserved populations, and coordination of care across a continuum of services, including preventive, outpatient, inpatient acute hospital care, and post-acute care, including skilled nursing, rehabilitation, home health services, and palliative care.

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- Test bank in multiple-choice format to match the WHNP certification exam
- PowerPoint® slides with one or more unfolding case studies per chapter
- Image collection

August 2023 • ISBN: 978-0-323-51079-0

Also available as an ebook

NEW EDITION!

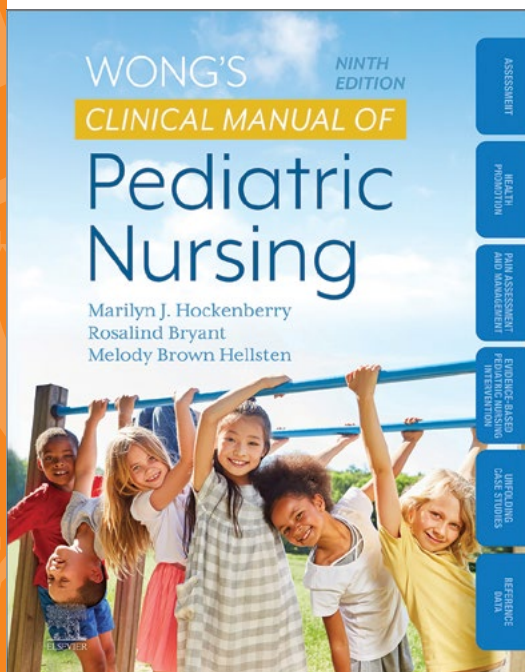

Put pediatric nursing guidelines, procedures, and reference data at your students' fingertips

- **Complete, concise assessment data** is provided for general health, specific problems, nutrition, sleep, and growth and development.
- **Assessment and Management unit** presents pain management strategies for the neonate, child, and adolescent.
- **Evidence-based interventions** include guidelines for treating pediatric patients and providing information to their families and caregivers.

Included with the text...

STUDENT RESOURCES ON EVOLVE

- Emergency treatment guidelines
- Evidence-based practice guidelines
- Patient teaching guides
- Patient teaching guides in Spanish
- Pediatric medication tables
- Pediatric dermatologic problems — color insert
- Unfolding case studies

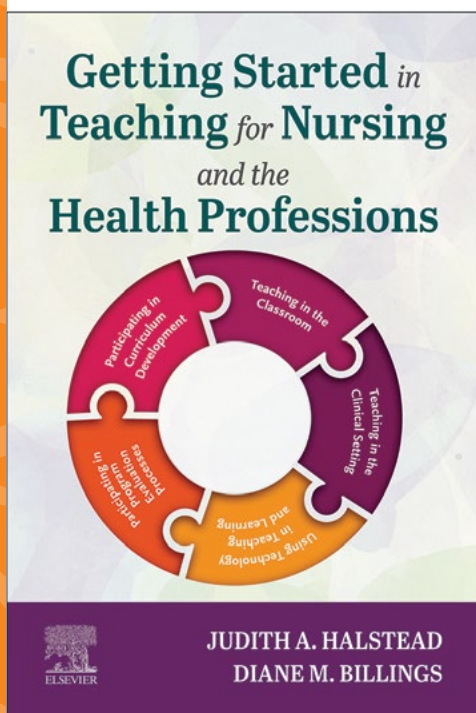

September 2023 • ISBN: 978-0-323-75476-7

Also available as an ebook

NEW!

Help clinicians and beginning educators make the transition into teaching for nursing or the health professions

- **Comprehensive, practical approach** includes examples demonstrating immediate, “how-to” application for those new to the faculty role.
- **Consistent organization of each book part** includes an *Introduction* to the topic, a *Getting Started* overview, chapters focused on key concepts, common issues, and evaluation strategies related to the topic.
- **Learning features** include integrated examples, step-by-step boxes, application exercises, integrated self-assessment activities, and a glossary of common terms used in nursing and health professions education.
- **Chapters on how to evaluate effectiveness** are provided for each topic area.
- **Easy-to-read, conversational writing style** helps readers understand and apply the material.

2024 • ISBN: 978-0-323-82898-7

Also available as an ebook

NEW!

Help your students prepare to advance their careers with a doctorate in nursing

- Grounded in more than a decade of experience in preparing nurses for doctoral study, this one-of-a-kind text is the **first comprehensive guide to the year before students apply to a doctoral program**.
- Fifteen chapters provide **practical information and guidance** to help students navigate the challenges on their journey.
- **Clear explanation of the different degrees and the careers they support** helps to build confidence in students' decisions about which to pursue.

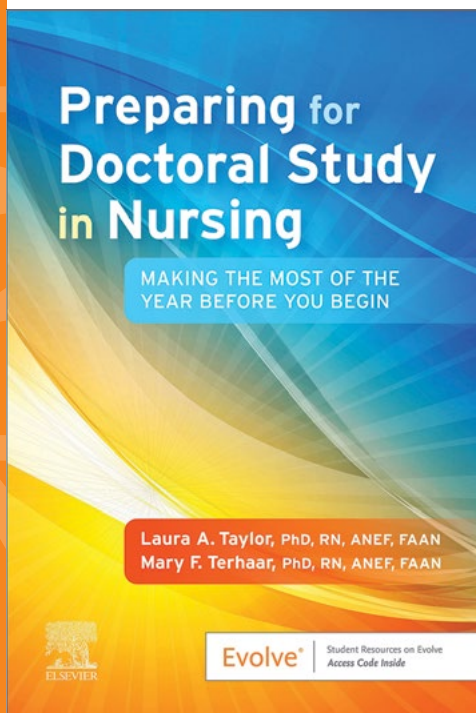

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- PowerPoint® slides
- Image collection

STUDENT RESOURCES ON EVOLVE

- Podcasts for doctoral study in nursing
- Tools, including forms, resources, and links

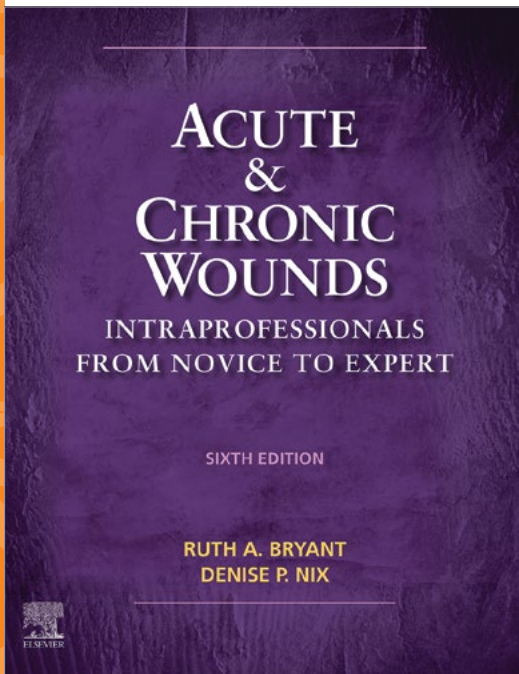

August 2023 • ISBN: 978-0-323-87589-9

Also available as an ebook

NEW EDITION!

The definitive resource on the complete spectrum of wound management

- **NEW! Chapters** on *Postacute Care Settings*; *Telehealth and Wound Management*; *Quality Tracking Across the Continuum*; and *Medications and Phytotherapy: Impact on Wounds*.
- **Expanded full-color insert** includes 50 new images — for a total of 95 color plates with more than 160 images — that visually reinforce key concepts.
- **Comprehensive approach** addresses the prevention and management of acute and chronic wounds, making it the preeminent resource for skin health and wound management across all disciplines involved in wound care, from novice to expert.
- **Clinical Consult feature in each chapter** provides a synthesis of the chapter content, illustrating how to assess, manage, and document a realistic clinical encounter using the ADPIE or SBAR framework.
- **Checklists** provide a concise list of actions necessary to achieve the best patient care outcomes or satisfy a particular objective.
- **Practical tools and algorithms** help in performing risk assessment, differential diagnosis, classification, treatment, and documentation.

August 2023 • ISBN: 978-0-323-71190-6

Also available as an ebook

NEW EDITION!

Ensure students master physical examination with the most trusted name in health assessment for nurses

- **Clear, conversational, step-by-step, evidence-based approach** covers physical examination and health assessment of patients throughout the lifespan.
- **Consistent format in each chapter** features sections on structure and function, subjective data, objective data, documentation and critical thinking, abnormal findings, and health promotion and patient teaching to help students learn to assess systematically.
- **Coverage of LGBTQ+ issues and Cultural Assessment chapter** equip students with the skills to practice with greater sensitivity and inclusivity.

Included with the text...
