

2024 Curriculum Catalog *for* Occupational Therapy

Delivering solutions to
support your program goals.

NEW!

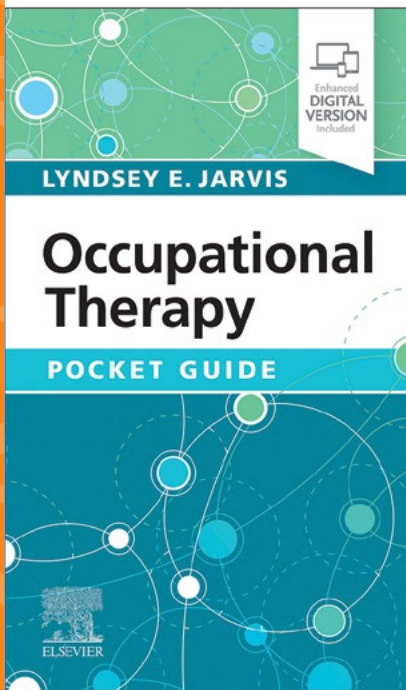

The quick, easy-to-use guide to clinical OT information

- **Concise coverage** provides a quick yet thorough overview of the essential aspects of each OT topic.
- **Logical organization** includes six separate sections: *Assessment, Conditions, Additional Intervention, Education, Documentation, and Reference Tools*.
- **eBook version** is included with print purchase. The eBook allows students to access all the text, figures, and references, with the ability to search, customize content, make notes and highlights, and have content read aloud.

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- Image collection of figures and tables

January 2024 • ISBN: 978-0-323-93500-5

Also available as an ebook

NEW!

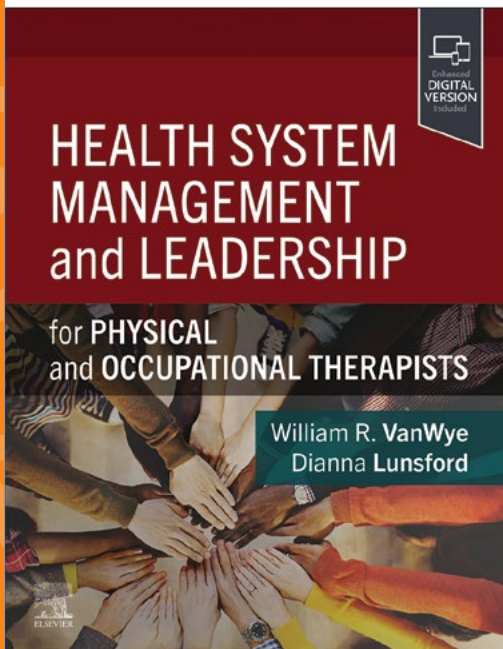

Equip your students with essential skills in healthcare leadership, management, and policy

- **Objectives and Key Terms at the beginning of each chapter** guide study and ensure that students understand important concepts and terminology.
- **Chapter Summaries** review the key content in each chapter.
- **Figures with discussion prompts and key points** are provided throughout the text.
- **eBook version** is included with print purchase. The eBook allows students to access all the text, figures, and references, with the ability to search, customize content, make notes and highlights, and have content read aloud.

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- Image collection
- PowerPoint® lecture slides with *Guiding Questions*
- Test bank

January 2024 • ISBN: 978-0-323-88384-9

Also available as an ebook

NEW EDITION!

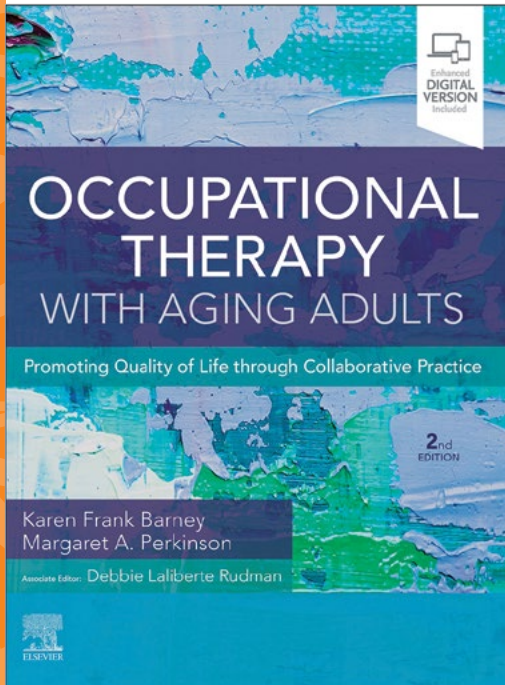

Inspire OT and OTA students to work holistically, creatively, and collaboratively when serving aging adults

- **NEW! Chapters** address the key topics of *Aging Disgracefully: Perspectives on Disability Experience and Activism from Disability Studies and Anthropology; Humanities and the Arts in Later Life; The Role of Occupational Therapy in Primary Care; and Creating Age-Inclusive Communities.*
- **NEW! eBook version** is included with print purchase. The eBook allows students to access all the text, figures, and references, with the ability to search, customize content, make notes and highlights, and have content read aloud.
- **NEW and UPDATED! Content** explores diversity and inclusion, sexuality and aging, technology, telehealth and virtual environments, recent research on driving in later life, occupation and social transformation, intergenerational connections, caring for someone with dementia, occupational justice and aging, hearing, and arts and humanities.

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- Image collection

February 2024 • ISBN: 978-0-323-87798-5

Also available as an ebook

NEW EDITION!

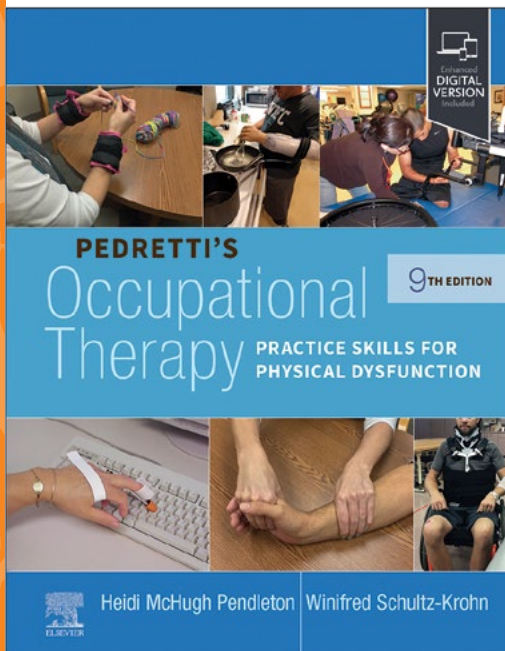

Prepare your students with the knowledge and skills needed to treat clients/patients with physical disabilities

- **NEW! Updated content** reflects the new Occupational Therapy Practice Framework (OTPF) and the new Accreditation Council for Occupational Therapy Education (ACOTE) curriculum standards along with the new AOTA Code of Ethics.
- **NEW! Implementation of Occupational Therapy Services, Therapeutic Use of Self, Telehealth, and Lifestyle Redesign chapters** are added to this edition.
- **NEW! Content on the role of the occupational therapist** with clients/patients who experience long COVID.
- **NEW! Inside look at the lived experience of disability** covers the intersection of disability perspectives and occupational justice, along with the implications for occupational therapy.

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- PowerPoint® slides
- Image collection
- Test bank

March 2024 • ISBN: 978-0-323-79255-4

Also available as an ebook

NEW EDITION!

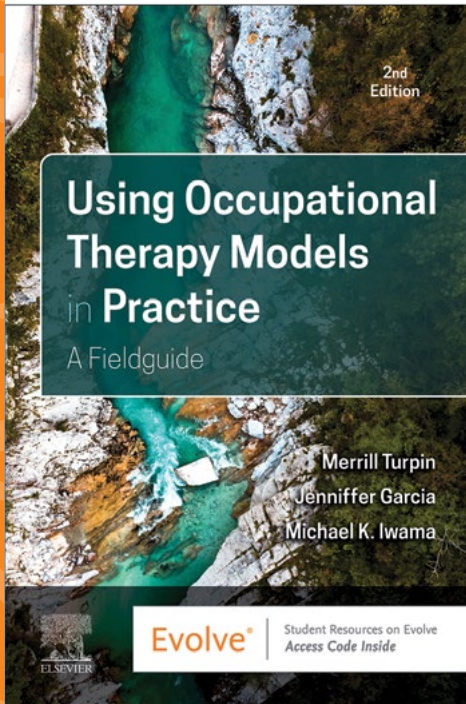

The must-have text for all occupational therapy students

- **NEW!** Fully revised to reflect the latest literature and model updates.
- **UNIQUE!** Comprehensive coverage provides an in-depth overview of eleven different models.
- Written by internationally renowned OT practitioners and scholars.
- Each model is placed within its cultural and historical context.
- Concise examples demonstrate how models can relate to real-life situations.

Included with the text...

STUDENT RESOURCES ON EVOLVE

- Case studies for each chapter

December 2023 • ISBN: 978-0-323-87949-1

Also available as an ebook

NEW EDITION!

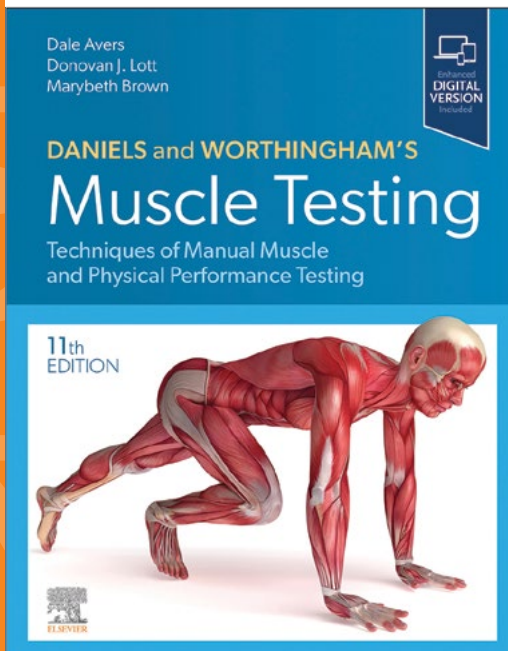

A clear, visual approach to manual strength and performance testing

- **NEW!** eBook version is included with print purchase. The eBook allows students to access all the text, figures, and references, with the ability to search, customize content, make notes and highlights, and have content read aloud. Plus, it includes video clips and bonus *Ready Reference Anatomy and Assessment of Muscles Innervated by Cranial Nerves* content.
- **Updated content throughout** provides the most current information needed to be an effective practitioner.
- **Content on the muscle dynamometer and muscle dynamometry data** introduces students to muscle dynamometry, including muscle dynamometer methods and results with each muscle.
- **More than 500 illustrations** clearly show testing sequences, muscle anatomy, and muscle innervation.

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- Image collection

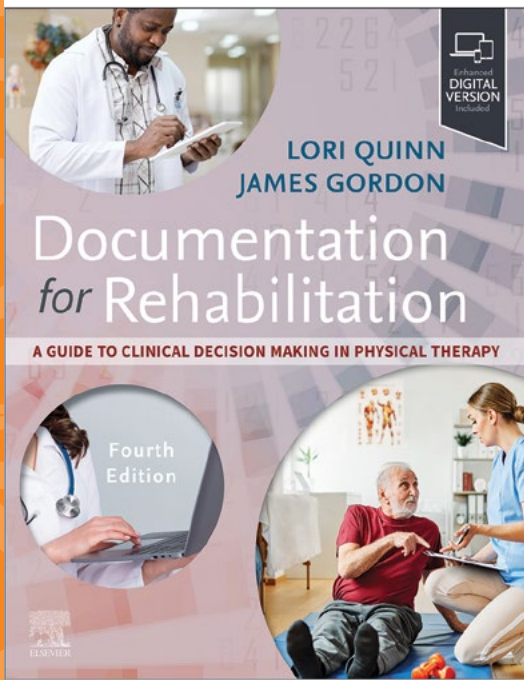

May 2024 • ISBN: 978-0-323-82420-0

Also available as an ebook

NEW EDITION!

Teach students a unique framework for documentation — and improve their clinical reasoning

- **NEW! Movement Analysis – Linking Activities and Impairments content** addresses issues related to diagnosis.
- **Revised content**, including updated terminology from the latest updates to the Guide to Physical Therapist Practice, provides the most current information needed to be an effective practitioner.
- **NEW! eBook version** is included with print purchase. The eBook allows students to access all the text, figures, and references, with the ability to search, customize content, make notes and highlights, and have content read aloud.
- **Workbook/textbook format** with examples and exercises in each chapter helps reinforce understanding of concepts.
- **Coverage of practice settings** includes documentation examples in acute care, rehabilitation, outpatient, home care, nursing homes, pediatrics, school, and community settings.

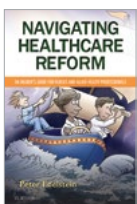

May 2024 • ISBN: 978-0-323-69430-8
