ELSEVIER 360

for LPN/LVN

The only comprehensive program solution of its kind, Elsevier 360 supports your students' nursing school journey from day one all the way to the NCLEX®. It provides **everything you need to ensure student success through each stage of the learning cycle** as they build knowledge, develop clinical judgment, and assess content mastery.

Elsevier 360 offers:

Quality

Elsevier's authoritative, reliable, and up-to-date content is second to none and reflects the latest advances in nursing education and practice, as well as the most recent NCLEX® test plan, so you can be sure your students are learning from the most current and relevant information available.

Consistency

Enjoy the convenience of getting all your course materials from one trusted provider, enabling you to simplify implementation and fulfillment while offering a streamlined experience with consistent content, objectives, and technology that all work together to elevate your program.

Insights

Monitor student performance and program health at any point in the curriculum with innovative, interconnected solutions that deliver actionable data so you can accurately assess students' engagement level, areas of strength and weakness, and NCLEX® and patient readiness.

Support

Elsevier 360 includes access to premium services at no additional charge, giving you unparalleled curricular support and expert consultation every step of the way to help you optimize program effectiveness and student outcomes.

Build Knowledge

Cultivate knowledge development throughout your curriculum with Elsevier's market-leading content and engaging digital learning tools. We offer everything needed to help students fully absorb the key concepts that form the foundation for their success.

HESI[®]

REVIEW AND TESTING

Our valid and reliable HESI assessment and preparation products work together seamlessly to provide the detailed diagnostic data you need to enhance and strengthen your students' NCLEX[®] readiness, your curriculum design, and your program outcomes.

With real-time, at-a-glance dashboards, you'll have access to:

- **Dedicated Next Generation NCLEX[®] (NGN) reporting** that highlights performance on nursing content area, NGN item type, and associated clinical judgment skills
- Comprehensive synopses of **individual student exam performance**
- Institutional data on **student, aggregate, and national comparison data**
- Data regarding key **nursing themes and topics** to consider adding, updating, or removing as you revise your curriculum
- Pertinent data for your next **accreditation visit**

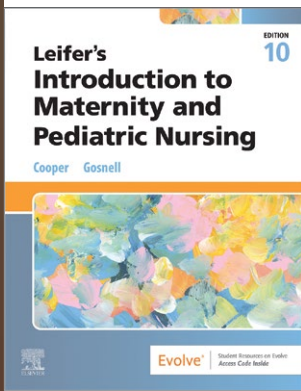

NEW EDITION!

Help your students learn the fundamental concepts and skills that LPN/LVNs need to safely and effectively care for patients in a variety of settings.

March 2025 • ISBN: 978-0-443-24523-7

Also available as an ebook

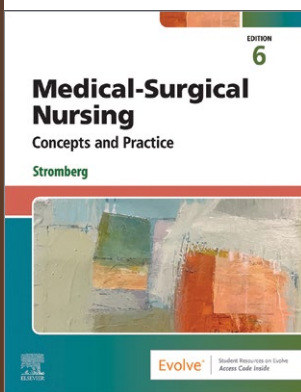

NEW EDITION!

Prepare students to provide effective, evidence-based care for women during pregnancy, labor, and delivery, and for newborns and growing children.

Create an effective and flexible concept-based nursing curriculum with Sherpath® for Giddens

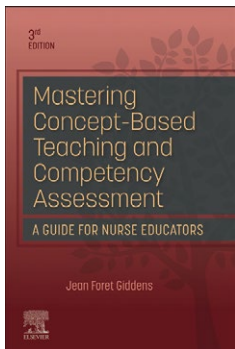

Through a single, user-friendly interface, Sherpath for Giddens delivers:

- **Straightforward, intuitive coverage of 60 important concepts** spanning the areas of patient physiology, patient behavior, and the professional nursing environment.
- **NEW! Six new concepts** — Clotting; Well-Being and Resilience; Person-Centered Care; Diversity, Equity, and Inclusion; Public Health Emergencies; and Spheres of Practice.
- **Elsevier Adaptive Quizzing for the NCLEX-PN® Exam** provides formative assessment technology that delivers personalized quizzing for each student's competence and proficiency, helping them progress at their own pace toward content mastery — all in an individualized, interactive way.
- **Sherpath AI** chat tool generates personalized answers to your questions, sourced solely from Elsevier's vast library of trusted, evidence-based content.
- **Dashboards and holistic analytics** on both individual student and overall class performance and engagement.
- **And much more!**

Designed for the way students learn today, Sherpath is the digital-first, personalized teaching and learning technology that delivers interconnected course content and tools in a single interface. Sherpath integrates into existing learning management systems and fully includes the *Concepts for Nursing Practice, 4th Edition*, ebook by conceptual learning expert Jean Giddens.

LPN/LVN Threads: Consistency Across the Curriculum

Elsevier LPN/LVN titles share many common features and design elements, called **Threads**, that make teaching and learning easier. Texts in the **Threads** series have a consistent design, a similar reading level (approximately 10th grade), and NCLEX® exam review sections in each chapter.

As students progress through your program and move on to new textbooks, they are already familiar with the **Threads** features and can immediately focus on learning.
