RN TO BSN

Delivering solutions to support
your program goals.

myevolve.us/rn-bsn25

Elsevier's RN-TO-BSN Program Solution

Elsevier delivers everything you need to ensure student success through each stage of the learning cycle as they build knowledge, develop clinical judgment, and assess content mastery.

Build Knowledge

Elsevier's market-leading content and engaging digital learning tools help students fully absorb the key concepts that form the foundation for their success.

Sherpath Vantage

Osmosis® Videos within Sherpath

Sherpath AI within Sherpath

Textbooks —
Print and eBooks

Study Guides

Evolve Resources

Sherpath® Vantage

Everything you need to deliver a highly effective, interactive course experience —
all on a single platform

Sherpath Vantage includes:

Elsevier eBook

Comprehensive digital lessons

Assignment data and performance analytics

Elsevier Adaptive Quizzing (EAQ)

Sherpath AI

Osmosis videos for select collections

Shadow Health Digital Clinical Experiences

Enhanced test banks powered by Elsevier's Assessment Builder for select collections

Apply Clinical Judgment

Provide a wide range of content-based clinical scenarios that allow students to immerse themselves in realistic patient interactions. Our safe, learning-based environments are ideal for honing their clinical judgment and professional communication skills.

Sherpath Vantage

Shadow Health

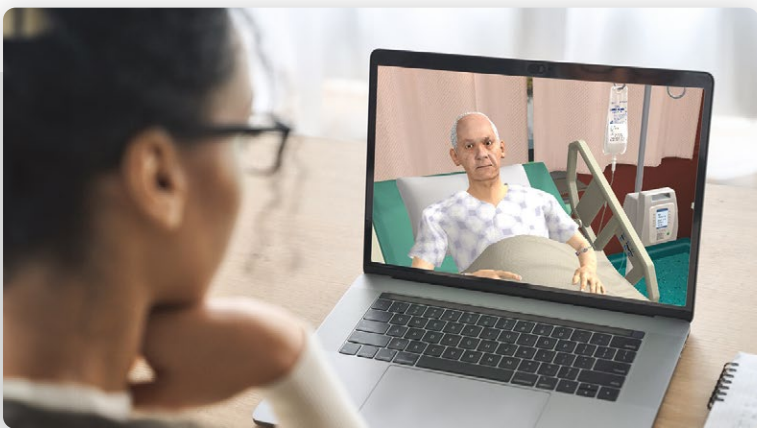

Course-Based SimChart®

SimChart for Nursing

Simulation Learning System for RN with Virtual Reality

Clinical Skills

Shadow Health®

DIGITAL CLINICAL EXPERIENCES™

Put the patient at the forefront of the learning experience with high-fidelity, screen-based simulations.

Shadow Health benefits:

- Features 80+ lifelike, diverse patients
- Students use their own words to communicate
- Patients can answer millions of unique questions
- Accurately measures student clinical reasoning
- Provides instructor insights in a Practice Readiness Dashboard
- Builds clinical judgment skills
- Aligned with AACN's new *Essentials* (2021)

Assess & Review

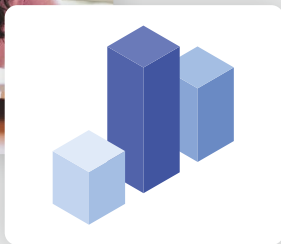

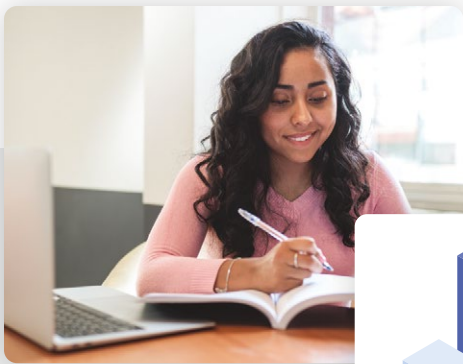

Monitor student progress at key points in your program with review and assessment tools that help them gain the skills and confidence they need for professional success.

- Elsevier Adaptive Quizzing
- HESI Specialty Exams
- HESI Practice Test

- Osmosis
- HESI RN-to-BSN Exit Exam
- Elsevier's Assessment Builder

HESI®

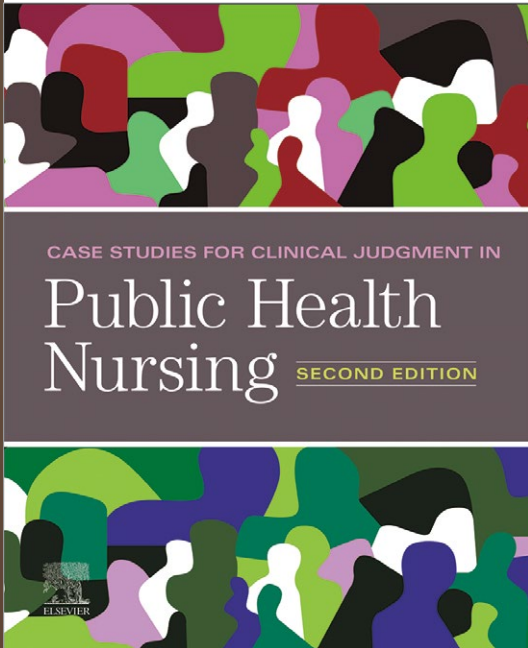

RN-TO-BSN EXIT EXAM

Administer this valid and reliable 50-item exam to your students prior to program completion to measure their critical thinking abilities and competency in areas such as ethics and pathophysiology.

Key features include:

- Exam blueprint based on expert reviews of course syllabi from RN-to-BSN programs across the U.S.
- Test items normed on the RN-to-BSN population
- Personalized remediation, tagged directly to trusted content in Elsevier nursing texts, that addresses each student's unique knowledge deficits and provides specific feedback on incorrect answers
- Detailed diagnostic reports for both students and educators

NEW EDITION!

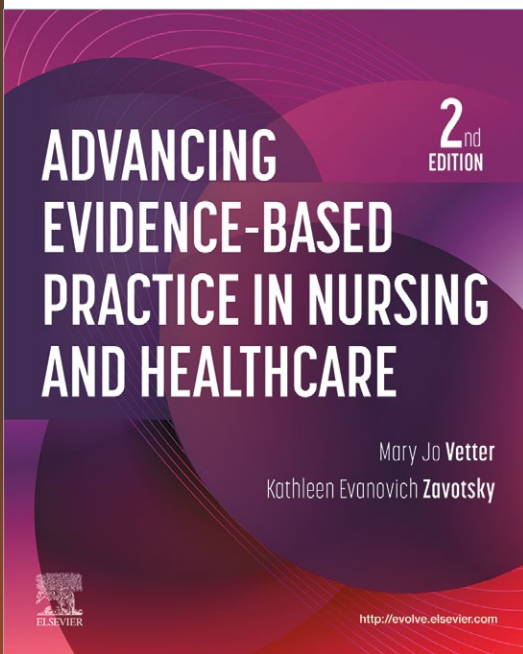

September 2024 • ISBN: 978-0-443-11111-2

Enhance students' clinical judgment with real-life community health nursing scenarios

- **NEW! Additional case studies** address the increased need for public health nursing within the community.
- **UPDATED! Core competencies** reflect the 2021 Core Competencies for Public Health Professionals.
- **More than 50 case studies** bring community/public health nursing to life to help students understand how the role of the public health nurse fits into unique populations.
- **Consistent case study format** features objectives, unfolding case scenarios, review questions, and open-ended critical thinking questions.

NEW EDITION!

March 2025 • ISBN: 978-0-323-93621-7

Also available as an ebook

Equip students to implement and evaluate evidence-based practice and quality improvement projects.

- **NEW! Focus on both academic and practice settings** includes content informed by recent guidance documents such as *The Essentials: Core Competencies for Professional Nursing Education* (AACN, 2021), *Advancing Healthcare Transformation: A New Era for Academic Nursing* (AACN, 2016), and the principles of *Future of Nursing 2020-2030: Charting a Path to Achieve Health Equity* (NASEM, 2021).
- **NEW! Ten additional chapters** explore topics related to the impact of academic-practice partners; nurse wellness; diversity, equity, inclusion, and belonging; population health and innovation; new models of evidence-based practice, and more.
- **NEW! Content is tailored to meet the goals and strategic priorities of a variety of healthcare settings**, with the tenets of ANCC Magnet designation, JCAHO accreditation, and other current regulatory and quality standards integrated throughout.

EDUCATOR RESOURCES ON EVOLVE

- PowerPoint® slides
- Test bank
- Image collection

NEW EDITION!

November 2024 • ISBN: 978-0-323-93625-5

Also available as an ebook

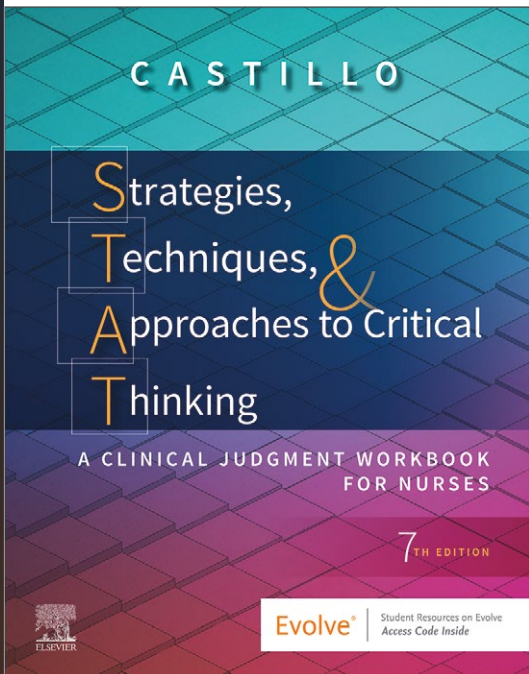

Help students develop the multiple types of thinking they need to make safe, appropriate clinical judgments

- **Restructured new edition** aligns with the NCSBN Clinical Judgment (CJ) Measurement Model, focusing on the six CJ cognitive (thinking) skills and based on the latest NCLEX® Test Plans.
- **Updated content** throughout reflects the latest research and trends related to using multiple types of thinking to make evidence-based clinical judgments in nursing practice.
- **Significant updates** address the Next-Generation NCLEX® (NGN) Exam's focus on clinical judgment and practice thinking exercises that simulate the latest NGN test item types.

Included with the text...

EDUCATOR AND STUDENT RESOURCES ON EVOLVE

- Unfolding and single-episode case studies

2022 • ISBN: 978-0-323-66126-3

Also available as an ebook

Ensure students master the clinical nursing judgment needed to succeed in clinical practice

- **UPDATED! Content** reflects the latest research and critical thinking and clinical reasoning.
- **Step-by-step approach** builds student skills in critical thinking, clinical decision making, and clinical judgment, walking them through the author's research-based critical thinking model.
- **More than 100 true-to-life cases** demonstrate how cases progress and complications arise, helping students develop increasingly sophisticated levels of critical thinking.
