OCCUPATIONAL THERAPY

Delivering solutions to support your
program goals.

join.elsevier.com/ot25

NEW EDITION!

The one text your students need to confidently make decisions in assistive technology

- **NEW!** Enhanced focus on clinical reasoning and clinical decision-making processes in assistive technology service delivery.
- **NEW!** Updated information on autonomous features of wheelchairs and vehicles, electronic aids to daily living (including mainstream products), and robotics.
- **NEW!** Enhanced ebook version, included with every new print purchase, allows access to all the text, figures, and references, with the ability to search, customize content, make notes and highlights, and have content read aloud.

January 2025 • ISBN: 978-0-443-10969-0

Also available as an ebook

NEW EDITION!

Teach students a unique framework for documentation — and improve their clinical reasoning

- **NEW!** *Movement Analysis – Linking Activities and Impairments* content addresses issues related to diagnosis.
- **NEW!** Enhanced ebook version, included with print purchase, provides access to all the text, figures and references, with the ability to search, customize content, make notes and highlights, and have content read aloud.
- Updated case examples provide clinical context for patient documentation.

2025 • ISBN: 978-0-323-69430-8

Also available as an ebook

NEW EDITION!

Prepare students to effectively treat clients with physical disabilities

- **NEW!** Updated content reflects the new Occupational Therapy Practice Framework (OTPF) and the new Accreditation Council for Occupational Therapy Education (ACOTE) curriculum standards, along with the new AOTA Code of Ethics.
- **NEW!** Implementation of Occupational Therapy Services; Therapeutic Use of Self; Telehealth; and Lifestyle Redesign chapters are added to this edition.
- **NEW!** Content on the role of the occupational therapist with clients/patients who experience long COVID.

2025 • ISBN: 978-0-323-79255-4

Also available as an ebook

NEW EDITION!

Inspire students to work collaboratively and holistically when serving aging adults

- **NEW! Chapters** address the key topics of *Aging Disgracefully: Perspectives on Disability Experience and Activism from Disability Studies and Anthropology; Humanities and the Arts in Later Life; The Role of Occupational Therapy in Primary Care; and Creating Age-Inclusive Communities.*
- **NEW! Enhanced eBook version** is included with print purchase that allows access to all the text, figures, and references, with the ability to search, customize content, make notes and highlights, and have content read aloud.
- **NEW and UPDATED! Content** explores diversity and inclusion, sexuality and aging, technology, telehealth and virtual environments, recent research on driving in later life, occupation and social transformation, intergenerational connections, caring for someone with dementia, occupational justice and aging, hearing, and arts and humanities.

2025 • ISBN: 978-0-323-87798-5

Also available as an ebook

NEW EDITION!

Prepare students to provide effective OT for clients diagnosed with mental health conditions

- **UPDATED! AOTA's Occupational Therapy Practice Framework, 4th Edition, and current OT practice** are reflected throughout the book to ensure alignment with the latest OT guidelines for education and practice.
- **NEW! Complementary and Integrative Health chapter** provides an overview of complementary approaches that have expanded in use within health care and includes examples of how to effectively incorporate them into OT treatment.
- **UNIQUE! At least two cases studies in each clinical chapter** show how to apply the Occupational Therapy Practice Framework (OTPF) in determining treatment options, and one or more conceptual models address the psychosocial needs of clients.

January 2025 • ISBN: 978-0-443-11583-7

Also available as an ebook

NEW EDITION!

Help students bridge the gap between research and practice

- **UPDATED! New thinking on who can know, who should be involved in the research enterprise, big data, research methods, strategies, and references** provides students with the latest information on research in diverse areas of health and human service inquiry.
- **Comprehensive coverage of research designs** helps students further understand how to apply these methods to healthcare and human service settings.
- **NEW! Enhanced ebook version, included with every new print purchase,** features math tips and study questions, plus access to all the text, figures, and references, with the ability to search, customize content, make notes and highlights, and have content read aloud.
