- PLEASE NOTE:** A warning box stating that if the course is created by copying a previous course, the graded assignments in the previous course will be copied over to the LMS Gradebook for this new course. It also states that any unwanted assignments should be deleted from the LMS Gradebook before creating the course in Sherpath.

- Click "Gradebook" then "Evaluable Items" to verify your new Sherpath assignments have filtered to your course.

NOTE: Unpublishing and/or deleting Sherpath assignments in Bb breaks the connection for Sherpath to pass grades to Bb.
