Nursing Education Newsletter

August 2021 | Volume 1

Welcome back, Nursing Educators!

We're NGN ready, see how!
NGN Information | August 25, 2021

The Next Generation NCLEX® cohort of Nursing students is starting now, and Elsevier has been hard at work preparing our books, course materials, and technologies for this pioneering crew (and you!). Learn more on what we've developed to meet the demand for NGN content in our resources!

Viewpoints
Will "browsing the textbook" really do your students any favors? Lifelong learning is a non-negotiable responsibility of the Nursing profession—there's going to be some reading involved. Make sure it's a skill you don't take off the table for your first-year students. They're going to need it.

Patricia A. Potter RN MSN PhD FAAN shares her perspective
