Creating Your Profile

The first time you attempt to access Eximity, you will be prompted to create your profile. Profile creation is a very quick process.

- 1 Provide key contact information for your profile.

The screenshot shows a two-column form for profile creation. The left column is a dark sidebar with a list of steps: 1. Add your information (highlighted in blue), 2. Upload your Photo ID, 3. Create challenge questions, and 4. Submit your digital signature. Below the list, it says 'Not sure what to do?' and provides support information: 'Our support team is available 24/7, 365 days a year.', 'Live Chat', '1-855-EXAMITY', and 'support@eximity.com'. The right column is titled 'Tell us a bit about you' and contains several input fields: 'First Name' (Theodor), 'Last Name' (Geisel), 'Email Address' (acorindia@eximity.com), 'Phone Number' (+ 555 555-5555), and 'Time Zone' (Set Automatically, 1:28 PM Eastern Standard Time 12/30/2019, America, Eastern Standard Time). A note at the bottom of the time zone section says 'This will allow our schedule to reflect exam slots in your time zone.'

TIP:

Confirm that your time zone reflects the location in which you will be testing.

- 2 Upload a picture of your ID. Please note, for verification purposes, you will need to bring this ID with you every time you take a test.

Complete profile setup

Your profile has now been created. You should see a confirmation screen. Please select “Check if your system meets Eximity requirements” before proceeding to the exam dashboard.

BETTER TEST INTEGRITY.

Your profile has been created

You are now able to schedule exams with Eximity.

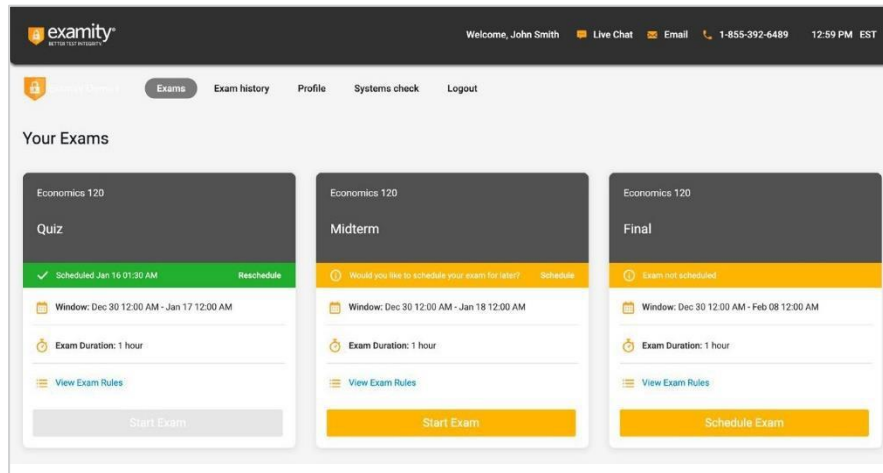

Is this the computer you'll be using during the exam? If so we strongly encourage you to run a computer requirements check.

Navigating Your Dashboard

Once your profile is created, you will be directed to the Examity dashboard.

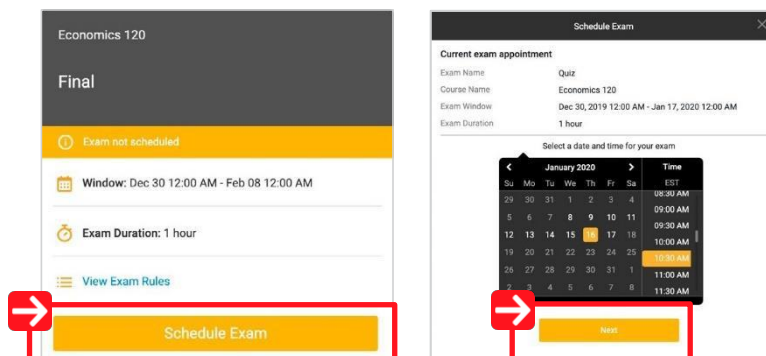

The Examity dashboard is where you will schedule, reschedule, cancel, and start exams. In addition, your dashboard offers access to edit your profile information. Please note: exams that do not require scheduling will simply say, “Start Exam” at the bottom of the exam card.

TIP:

Bookmark your Examity link so you can quickly return to the dashboard in the future. In Chrome, simply navigate to the Bookmarks menu and select “Bookmark the tab.”

Scheduling Your Exam

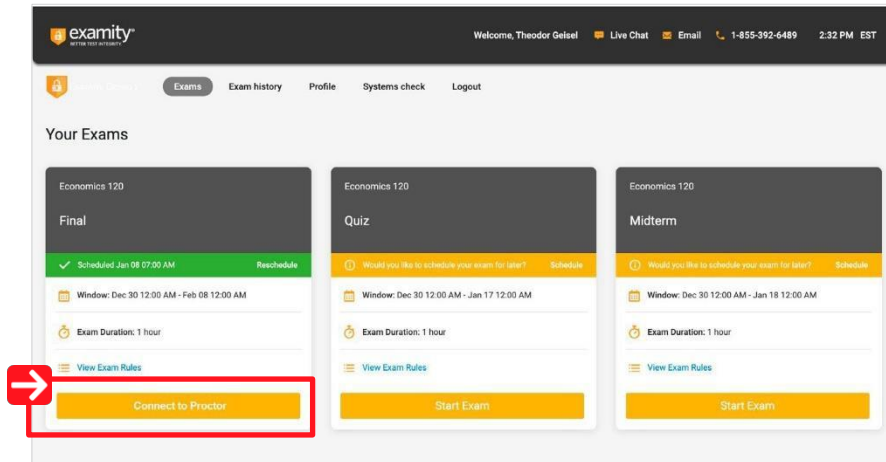

To schedule an exam, click “Schedule Exam” on the Exam card. Then select the date and time and click “Next.”

For assistance, call 1-617-500-6524, email support@examity.com or chat directly with us through the Live Chat feature on the Examity dashboard.

Taking Your Exam

On the day of your exam, locate the exam card and select “Connect to Proctor.”

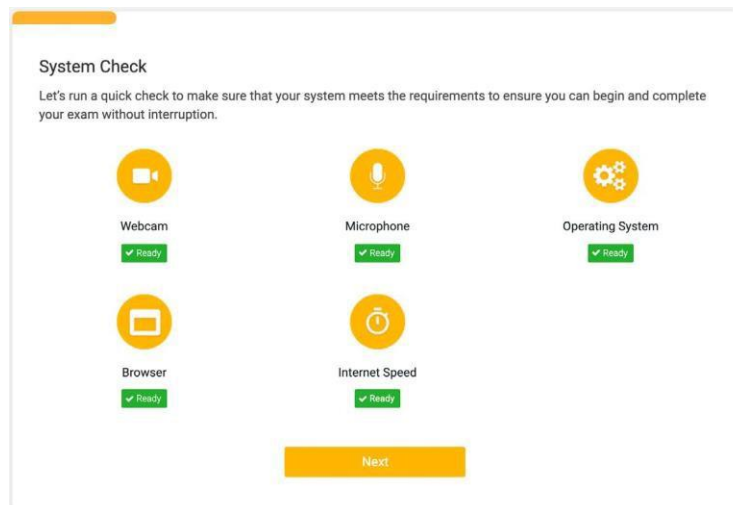

REMINDER:

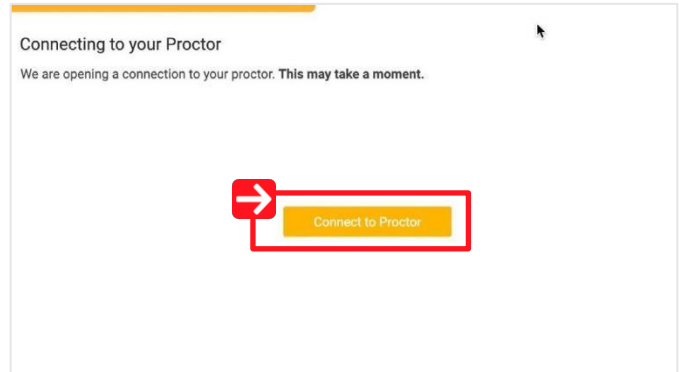

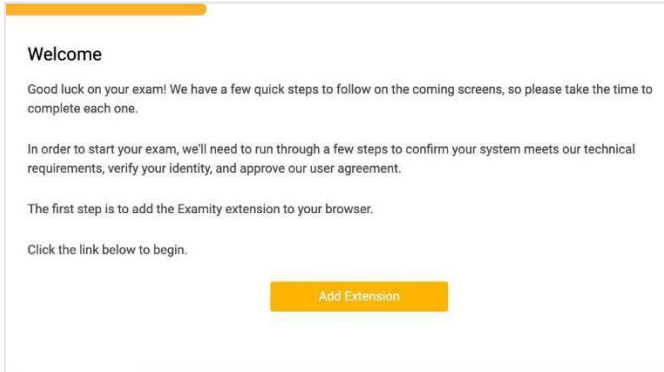

Before you start your exam, please confirm that you are accessing Examity through Chrome. If you are not using this browser, please restart your exam session in Chrome.

You will be sent to a new screen where you will be asked to run through a few steps to confirm you meet our technical requirements, verify your identity, and approve our user agreement.

1 System Check: Examity will confirm you meet our technical requirements.

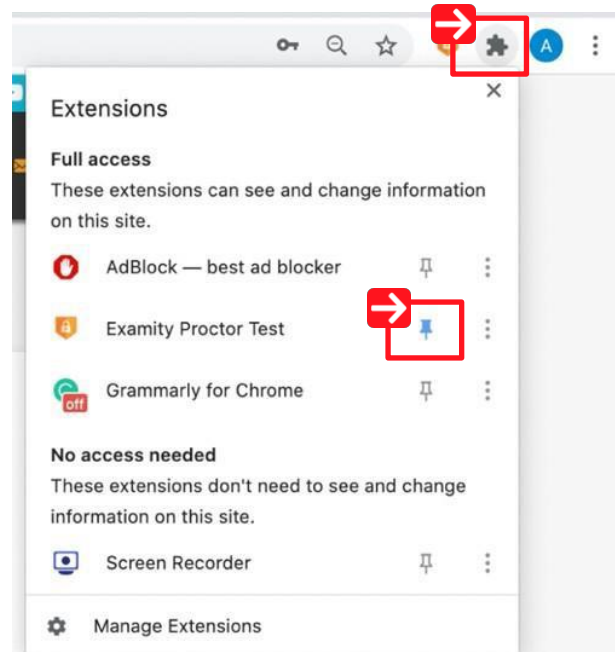

2 Browser Extension: Please follow the prompts to add the Eximity extension to your browser. Then click “Connect to Proctor.”

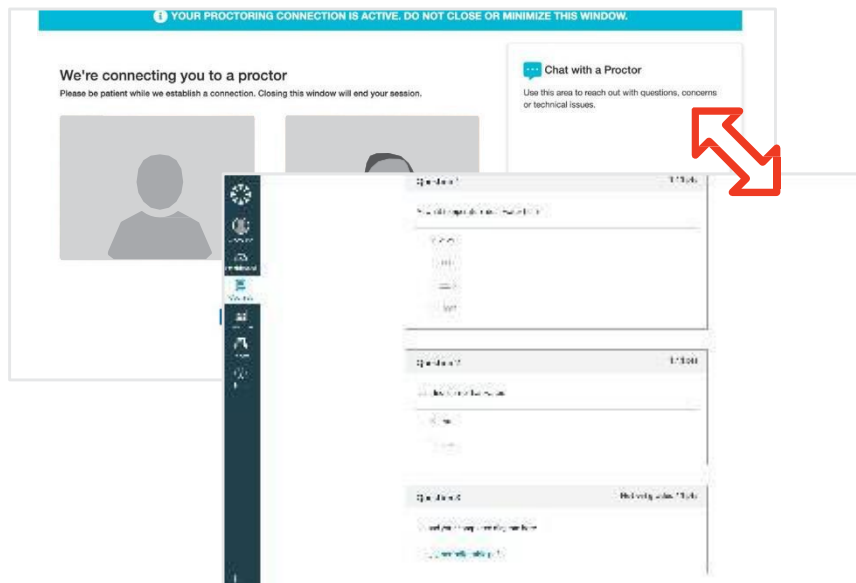

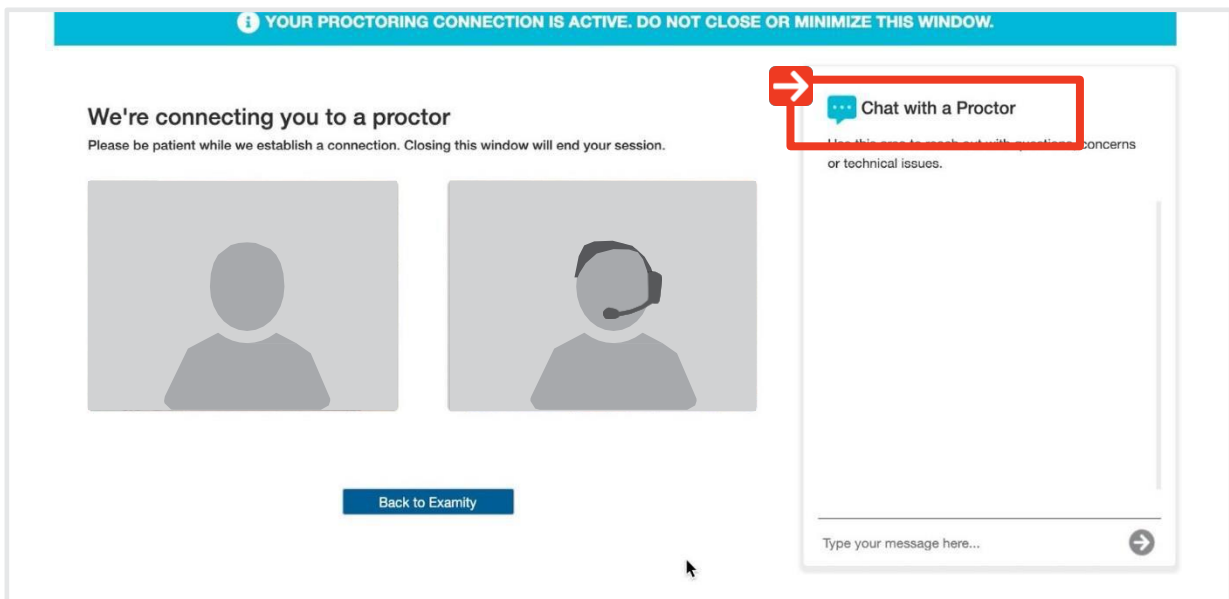

TIP:

If you see a puzzle piece instead of our extension, click the piece, then “pin” the Eximity extension to the toolbar as showing here.

- 3 Connect to Proctor:** You will now be connected to a proctor who will walk you through the ID verification process.

CHAT WITH A PROCTOR:

If you have any technical trouble during your exam, you can return to this window at any time to use the "Chat with a Proctor"

For assistance, call 1-617-500-6524, email support@eximity.com or chat directly with us through the Live Chat feature on the Eximity dashboard.

- 4 Insert Password:** After authentication and pre-test procedures, your proctor will guide you through inserting the exam password. First, click the Eximity extension at the top right. If you see a puzzle piece instead of our extension, click the piece, then “pin” the Eximity extension to the toolbar. Then, click “Insert Password.”
