

Creating Graded Evolve Assignments in Blackboard

Introduction: This guide will walk you through creating graded assignments in Blackboard.

NOTE: There are 4 types of products that have assignments that can be linked to Blackboard using these steps: **Clinical Skills, Elsevier Adaptive Learning,** and select versions of **Evolve Resources, and Online Courses.** In evolve resources and online courses the only assignments that will pass directly to the gradebook will be inside of a folder marked as gradable resources.

External Tool Setup

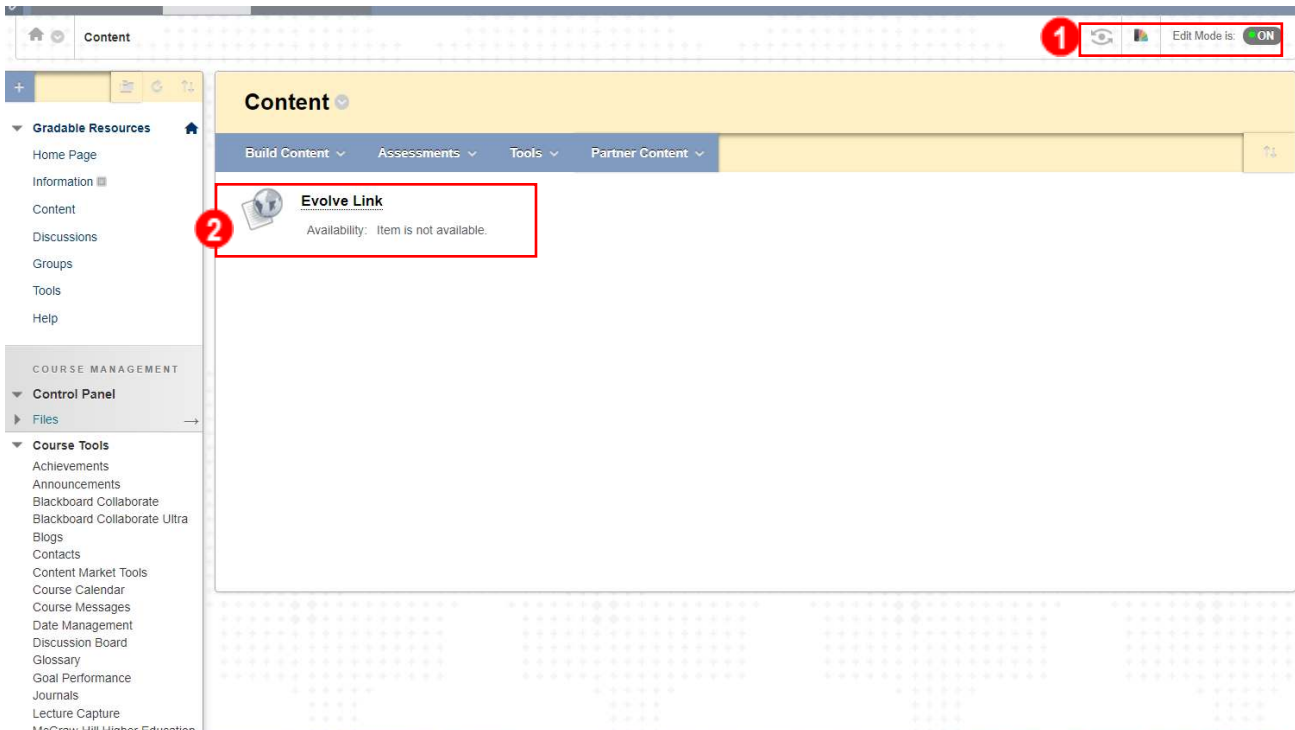

1. Login to Blackboard and go to your desired course.
2. Click the **Content** tab in the upper-left-hand corner

The screenshot displays the Blackboard Home Page interface. On the left, a navigation menu is visible with the 'Content' tab highlighted. The main content area is titled 'Home Page' and features an 'Add Course Module' button. Below this, there are three main sections: 'My Announcements' (no announcements posted in the last 7 days), 'My Tasks' (no tasks due), and 'What's New' (no notifications). The right-hand sidebar contains 'To Do' and 'Alerts' sections, both showing zero items. The 'What's Due' section is also visible, showing a date selector set to 02/27/2019.

3. Ensure that **Edit Mode** is on and open **Evolve Link** in a new tab.

The screenshot shows the Blackboard interface. At the top right, a red circle with the number '1' highlights the 'Edit Mode is: ON' indicator. In the main content area, a red circle with the number '2' highlights the 'Evolve Link' button, which has a message below it that says 'Availability: Item is not available.' The left sidebar contains navigation options like 'Gradable Resources', 'Control Panel', and 'Course Tools'.

- **NOTE:** For evolve link setup assistance please view “Adding Evolve Content to Blackboard”

4. In the Blackboard tab click **Build Content** followed by **Web Link**.

The screenshot shows the 'Build Content' menu open. A red circle with the number '1' highlights the 'Build Content' dropdown menu. A second red circle with the number '2' highlights the 'Web Link' option within the menu. The menu lists various content types such as 'New Page', 'Content Folder', 'Module Page', 'Blank Page', 'Mashups', 'Flickr Photo', 'SlideShare Presentation', 'YouTube Video', 'Blackboard Open Content', 'OS Stage EAQ Foundations and Adult Health Nursing', 'BBEAQ_TEST3-FM9780323401401', 'Test3 EAQ for Today's MA 9780323401401', 'EAQ_APP_9780323287616', and 'EQ APP_9780323287616'.
