

Creating Graded Evolve Assignments in Brightspace by D2L

Introduction: This guide will walk you through creating graded assignments in Brightspace by D2L.

NOTE: There are 4 types of products that have assignments that can be linked to Brightspace by D2L using these steps: **Clinical Skills, Elsevier Adaptive Learning,** and select versions of **Evolve Resources, and Online Courses.** In Evolve resources and online courses the only assignments that will pass directly to the gradebook will be inside of a folder marked as gradable resources.

External Tool Setup

1. Login to Brightspace by D2L and go to your desired course.
2. Click the **Content** tab in the upper-left-hand corner
