

Evolve with Canvas: Student Registration

Purpose: This document walks through how a new student:

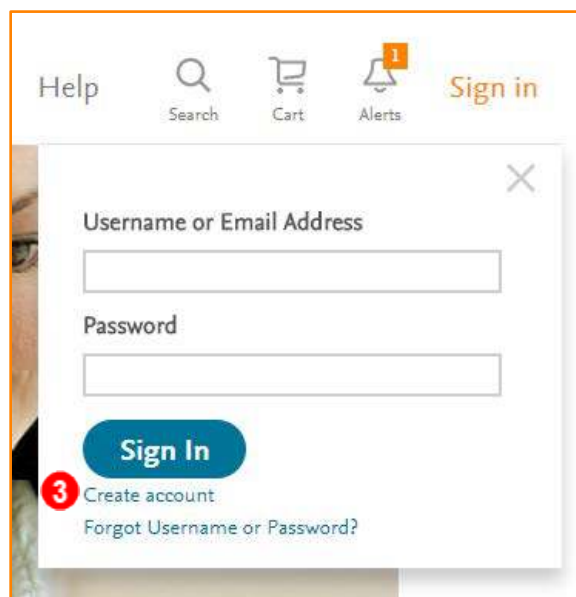

- creates an Elsevier Evolve account,
- redeems an access code, and
- accesses a course when the student receives an email from an instructor that they are enrolled in a course.

Create Your Evolve Account

1. Go to the Evolve main page – <https://evolve.elsevier.com>
2. Click **Sign in** in the upper right corner of the screen.

3. Click **Create account**.

4. Complete the Create an Account window.
 - a) Select radio button by Student to register as a student.
 - b) Enter your personal details and provide a new password in the designated fields.
 - c) Click **Submit**. An email with your login details is sent to the email address you entered. You are now able to log in to Evolve with your user name and password.
