

Evolve: Student Trial Access

You can begin a free 14-day trial for eligible, protected Evolve digital products in your instructor-led course on Evolve, Canvas Provided by Elsevier, or your institution's LMS allowing you to access these course materials on the first day of class.

NOTES:

- Student trial access is not available with eBooks or HESI Classic/Next Generation exam testing.
- Please click on the Evolve digital product **from within your instructor-led course** to use the trial access option. **Do not enter the product ISBN directly into the Evolve catalog field to purchase trial access**, as the system will not offer you the trial access option.
- You are allowed only one trial per unique product ISBN, but you can trial multiple eligible ISBNs.
- Any work completed within the course or product will persist after the trial period.
- If you obtain or purchase your access code during the trial period, you can redeem it before the trial period ends. Enter the access code on the main page of the Evolve website in the **Redeem an Access Code or Enter an Evolve Course ID** field.
- Once trial access expires, you will be prompted to enter an access code the next time you click on the product.

1. Enter an instructor-led course you are enrolled in on Evolve, Canvas Provided by Elsevier, or your institution's LMS that has an Evolve digital product for which you want the free 14-day trial access. An Evolve course with a Sherpath collection is shown. (*Screens may differ by LMS.*)
