

Evolve: Redeeming an eBook Access Code on Evolve and Using the VitalSource Bookshelf

This guide shows you how to redeem an eBook Access Code on Evolve, how to access the VitalSource Technologies (VST) bookshelf, and how to download the VST desktop app to download your eBooks for offline use.

1. Go to the Evolve site at evolve.elsevier.com.
2. **Sign in** to your Evolve account using your Username or Email Address and Password. If you do not have an Evolve account, skip to the next step.
3. On the main page, look for the box that says **Redeem an Access Code or Enter an Evolve ID**, enter the eBook access code, and click **Submit**.

The screenshot displays the Evolve website interface. At the top right, there are navigation links for 'My Evolve', 'Catalog', 'Help', 'Search', 'Cart', 'Alerts', and 'Sign in'. A notification box on the left states: 'Scheduled Maintenance for SimChart and SimChart for the Medical Office. There is a maintenance planned for SimChart and SimChart for the Medical Office on Wednesday, April 15th from 1:00 AM CST to 4:00 AM CST. These applications will not be available during this time. Please contact Evolve Support if you have any questions.' A red circle with the number '2' highlights the sign-in form on the right, which includes fields for 'Username or Email Address' and 'Password', a 'Sign In' button, and links for 'Create account' and 'Forgot Username or Password?'. A red circle with the number '3' highlights the 'Redeem an Access Code or Enter an Evolve Course ID' section, which contains a text input field, a 'Submit' button, and a note: 'Your code will look like [QMRR7A4WNA]XY3ZQRMNQ or [UC2H3J4K5L6F] or [1234_bj00bs_001]'. Below this is a link: 'Enrolling in a Canvas provided by Elsevier course? Follow these instructions.' The main heading 'Welcome to Evolve®' is visible. Other sections include 'HESI Secured Exams' with links for 'Register for Results and Remediation', 'HESI Transcripts', and 'Register for Distance Testing', and a 'Help' button at the bottom right.
