Save the Date!

Fall Webinars | July 27, 2022

This fall, Elsevier will be hosting several live webinars that you can save your spot for now! We'll be covering topics on active learning, NGN item writing, NGN student success, and clinical competency. Live webinars give you a chance to ask questions directly to our experts, and registrants not able to attend live will be among the first to receive the recording.

New & Noteworthy

Elsevier's nurse education specialists will partner with the training team to help you get the semester off to a solid start using Sherpath, HESI Prep Suite, and Elsevier Adaptive Quizzing for NCLEX. This will be an opportunity to learn about practical ways you can implement these popular tools in your classroom.

Shadow Health

In the upcoming Advanced Primary Care: Women's Reproductive Health DCE, learners will care for Rochelle Joseph a 41-year-old Black female who presents with a pregnancy complication. Students will conduct a focused exam, including an interview and physical examination, to identify the signs and symptoms of venous thromboembolism (VTE) in a pregnant patient.
