Supporting the Nursing Journey

Elsevier Health | June 28, 2022

The nursing profession faces a myriad of new challenges for students and professionals alike. How can we best support nurses at all stages of their careers? Hear from Brent Gordon, managing director, and general manager of Elsevier nursing and healthcare education, and Josh Schoeller, president of Elsevier clinical solutions, as they discuss how Elsevier Health is prepared to help nurses from day one as students to their transition to practice.

Next Gen NCLEX®

10 Months Until NGN

To prepare for NGN, it takes more than adjusting to new item types and refocusing on clinical judgment. It requires change across the curriculum to ensure students are prepared to think like a nurse day one. Learn how Elsevier 360 integrates the critical thinking skills and assessment practice needed for NGN success.

Shadow Health

Creating virtual patients that represent a variety of backgrounds and cultures allows students to practice conversation skills and empathy on patients, as well as therapeutic communication. Read our latest article with some examples of how patients in Shadow Health represent diverse backgrounds and ensuring students can practice therapeutic communication.
