Helping Your Graduates

HESI Compass Coaching | May 25, 2022

Coaches in HESI® Compass work directly with students to share test-taking tips, help strengthen areas of weakness, and answer any questions students may have to be NCLEX®-ready. Here are some test-taking tips from our HESI Compass coaches that they've shared with students previously to achieve NCLEX success.

New & Noteworthy

The HESI Exit Exam (E2) has been used to assess readiness for the NCLEX-RN exam. In this study, researchers examined the relationship between students' average E2 scores and their first time NCLEX-RN pass or fail outcomes to understand the validity of the E2 as a predictor of NCLEX-RN readiness. Read the study to learn more about the results on how HESI predicts student success on the NCLEX.

Shadow Health

Several studies have examined the effects of simulation on student outcomes when used in substitution for traditional clinical hours. In the latest whitepaper, "Can Virtual Patient Simulation Be Used in Substitution of Traditional Clinical Hours in Undergraduate Nursing Education?", our experts examine evidence of the effectiveness of this strategy and identify best practices for implementation for undergraduate programs.
