

Nursing Concepts Online - Re-assigning Case Studies and Simulations in NCO

This is a guide that walks through the steps needed to re-assign the Premade Case Studies and Simulations.

Locating SimChart Case Studies

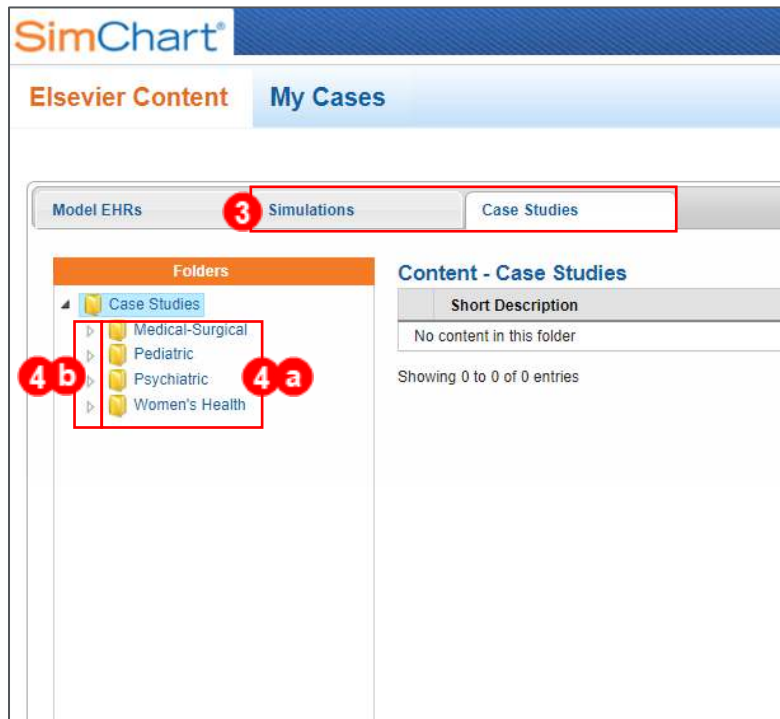

1. Start by clicking on **SimChart Setup** inside your NCO course. This will open SimChart in a new tab.

2. Next, Click the **Elsevier Content** tab in the upper-left.

3. Select either the **Simulations** or **Case Studies** tab, based on desired content
4. On the left, you will see a list of folders.
 - a. Click on the folder you wish to view.
 - b. If the folder has an arrow to the left of it, click the arrow to see the subfolders it contains.

5. Click the radio button next to the desired assignment to copy it into the appropriate tab.
6. Click the **Copy** button.

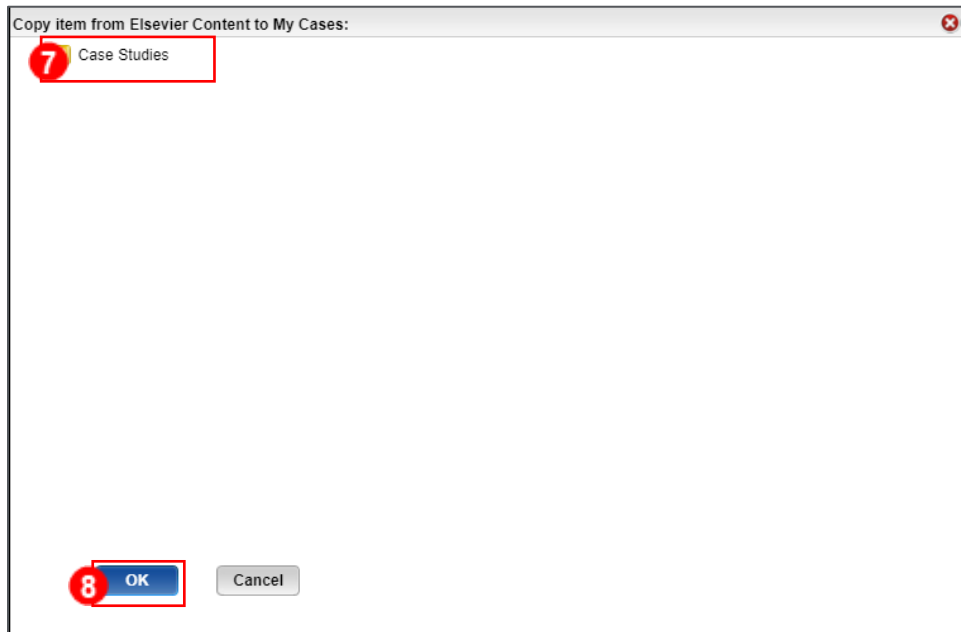

The screenshot shows the 'Case Studies' tab in the NCO interface. On the left, a 'Folders' pane shows a tree structure with 'Case Studies' expanded to 'Unfolding Case Studies'. The main area, titled 'Content - Unfolding Case Studies', contains a table with 15 rows. Each row has a radio button in the first column, followed by 'Short Description' and 'Title' columns. A red box highlights the radio button in the 10th row. Below the table, a 'Copy' button is highlighted with a red box. A red circle with the number '5' is next to the radio button, and a red circle with the number '6' is next to the 'Copy' button.

7. A pop-up window appears that says *Copy items from Elsevier Content to [folder name]:*. Select the appropriate folder.
8. Click **OK** to publish the case study to the folder.

9. A confirmation dialog box appears that says *Item copied to [folder name] folder. Do you want to open this copied item?* Click **Yes** to open the item.

10. The *Setup* page appears. Click **Assign**.

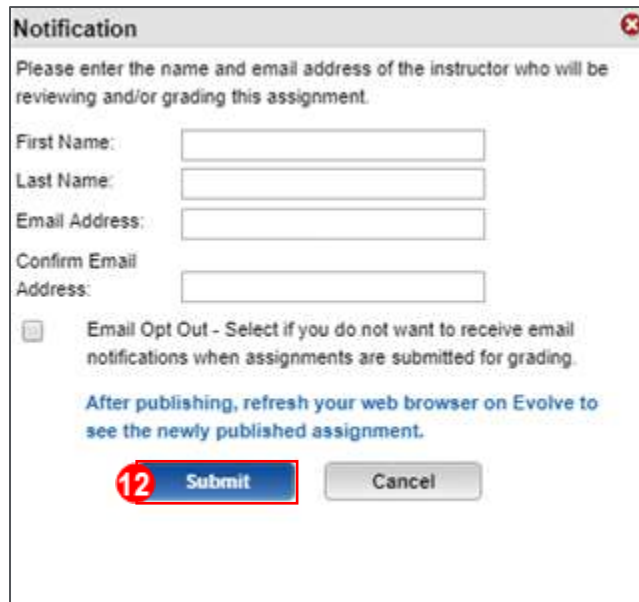

The screenshot shows the 'Case Study Setup' page for patient Berkley, Julia. At the top, patient information is displayed: MRN: 1074521, Room: 480, Health Care Provider: A Levy, MD. Below this, there are fields for Sex (F), Weight, Age (45 Y), Height, Code Status (0 1), Alerts (0 0), Isolation (0 0), Drug Allergies (00), Food Allergies (00), Env. Allergies (00), Diet (0 1), BMI, and Hospital Floor (Medical-Surgical). On the left, an 'INFO PANEL' sidebar includes a 'Library' section with 'Return to Library' and 'Case Manager' links. The main content area is titled 'Case Study Setup' and is divided into 'Required' and 'Optional' sections. Under 'Required', there are two items: 'Case Study & Patient Profile' (Complete, Edit) and 'Case Study Timeline' (Complete, Edit). Under 'Optional', there are three items: 'Quiz Questions' (Edit), 'Expected Charting' (Edit), and 'Clock Set-up' (Phase Time Limits: Off/On, with 'Off' selected). Below the setup options are three buttons: 'Preview', 'Assign' (highlighted with a red circle and the number 10), and 'Grade'. At the bottom, there is a copyright notice for Elsevier Inc. and a link to the Privacy Policy.

11. A dialog box appears that says *Are you sure you want to assign?* Click **OK** to publish the assignment to students.

NOTE: Once a Case Study or Simulation is assigned, you are unable to make edits to the assignment. The only exception to this is in *Simulations*, you can adjust Barcodes being On or Off.

12. The *Notification* dialog box appears. Complete the **Confirm Email Address** field if desired or check the **Email Opt Out** box, then click **Submit**.

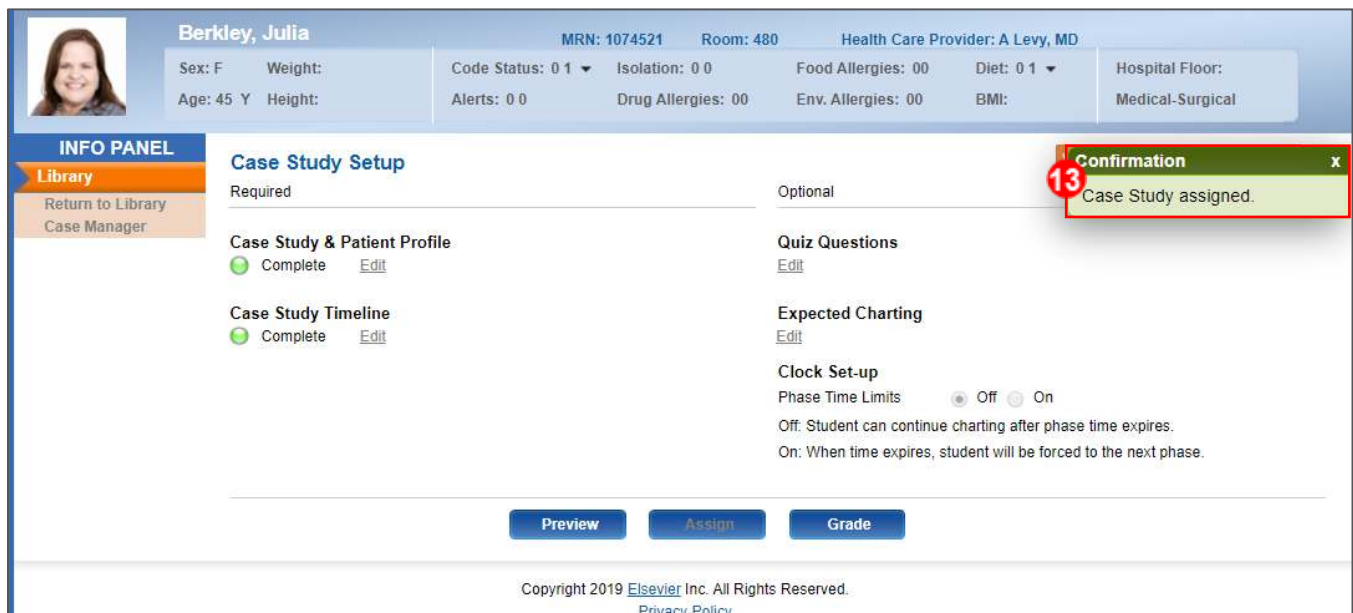

The dialog box is titled "Notification" and contains the following fields and options:

- First Name:
- Last Name:
- Email Address:
- Confirm Email Address:
- Email Opt Out - Select if you do not want to receive email notifications when assignments are submitted for grading.

Below the fields, there is a blue instruction: "After publishing, refresh your web browser on Evolve to see the newly published assignment." At the bottom, there are two buttons: "Submit" (highlighted with a red box and a red circle containing the number 12) and "Cancel".

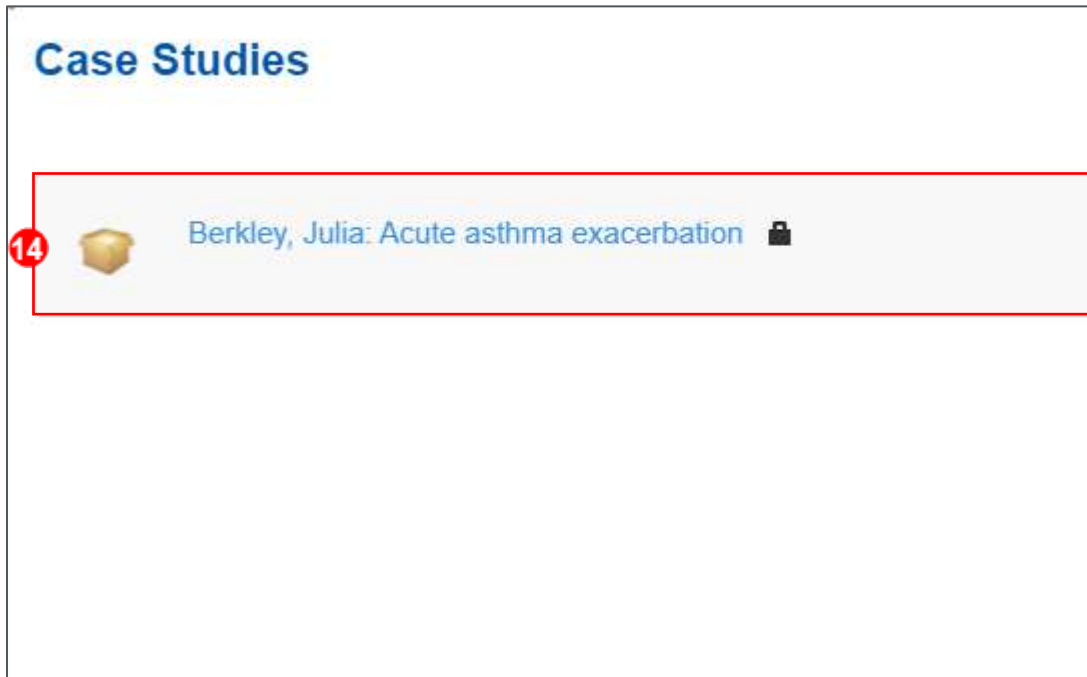

NOTE: If **Email Opt Out** is not chosen, an email will be sent to the instructor whenever a student submits his/her assignment.

13. A confirmation will appear in the upper-right.

The screenshot shows the Evolve interface for a case study setup. At the top, there is a patient information header for "Berkley, Julia" with fields for MRN, Room, and Health Care Provider. Below this is an "INFO PANEL" with a "Library" tab and a "Case Manager" link. The main content area is titled "Case Study Setup" and is divided into "Required" and "Optional" sections. The "Required" section includes "Case Study & Patient Profile" and "Case Study Timeline", both marked as "Complete". The "Optional" section includes "Quiz Questions", "Expected Charting", and "Clock Set-up". A "Confirmation" message box in the upper right corner, highlighted with a red box and a red circle containing the number 13, displays the text "Case Study assigned." At the bottom of the interface, there are "Preview", "Assign", and "Grade" buttons.

14. The assignment will then be published to students and will appear in the either the *Case Studies* or *Simulations* folder inside of the NCO course.
