

# Nursing and Health Education Newsletter

September 2022 | Volume 13

## Full Circle with Elsevier

Elsevier 360 | August 26, 2022

Elsevier 360 offers program continuity with interconnected learning tools and resources that foster the development of clinical judgment and nursing competency. But have you wondered what exactly that would look like for you and your students?

Now, you can see how Elsevier 360 would benefit your program with our Value Calculator! Simply answer a few questions about your program's type, size, and goals to get a personalized benefit analysis that explains the value Elsevier 360 would bring to your curriculum.

## Next Gen NCLEX®

### 6 Months Until NGN

In our recent NGN webinar, nursing education experts Carolyn Kerns and Ben Babcock share which NGN item types are best to measure different cognitive skills featured in Layer 3 of the NCSBN Clinical Judgment Measurement Model (NCJMM) and common mistakes to avoid when writing new NGN item types.
