Name

7 Quiz

Release date
This is the date that the quiz will become visible to your students.

7 mm / dd / yyyy [calendar icon] 4:00 am [clock icon]

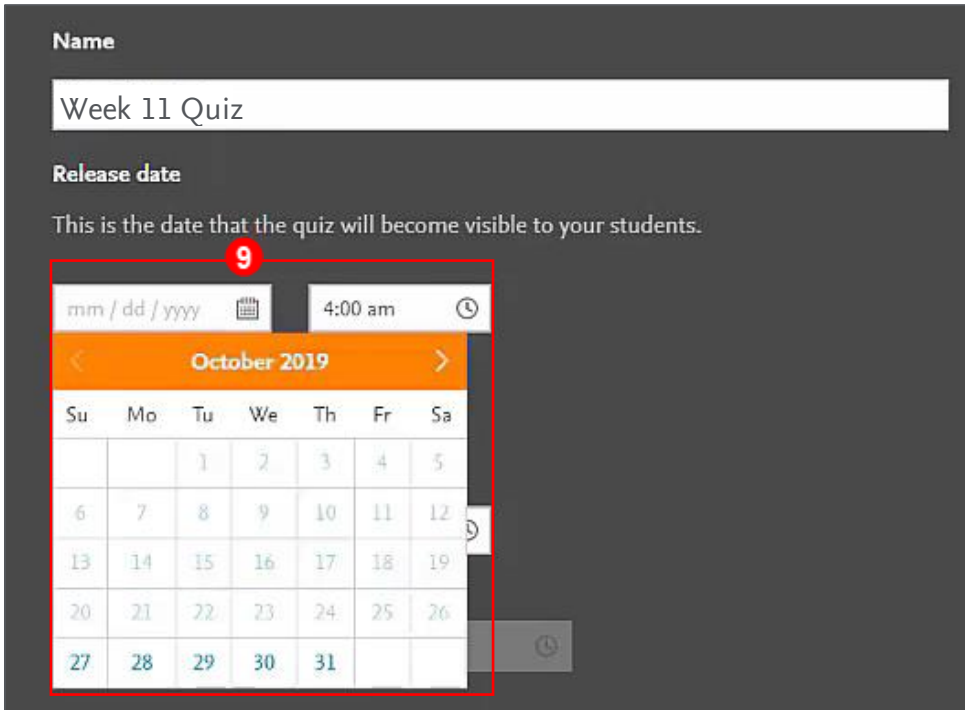

Due date

8. Type a unique name for your quiz in the **Name** text box.

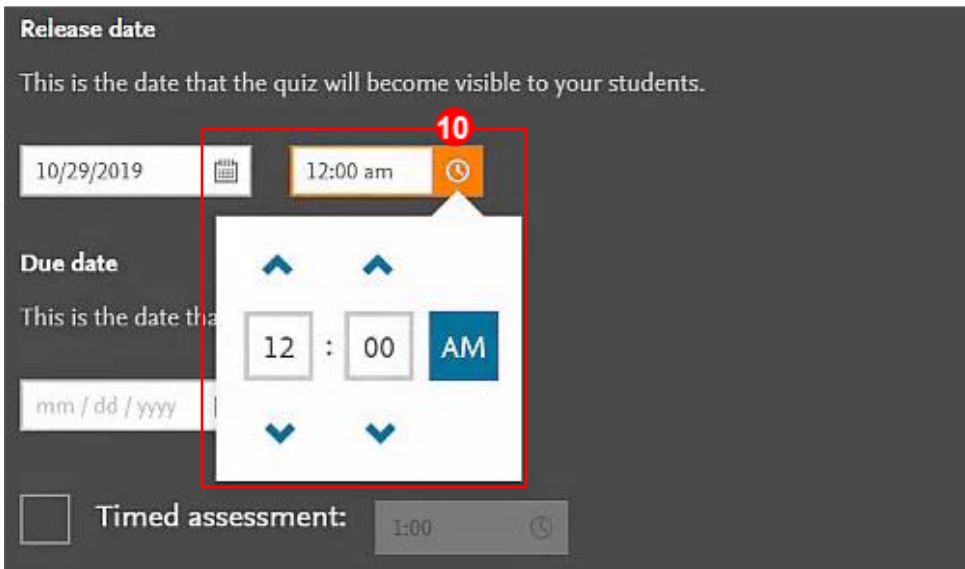

Name

8 Week 11 Quiz

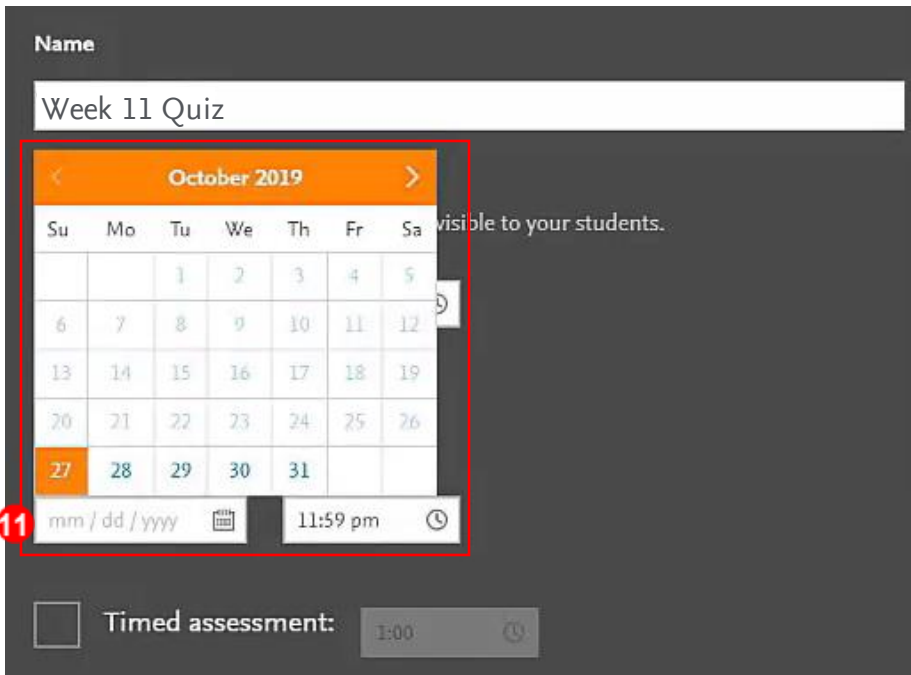

9. Under **Release date**, click the **calendar** icon in the **date box** to select a date to make the quiz visible and open to students.

10. Click the **time box** to select the time when the quiz will be visible.

11. Follow the same instructions to select the **due date** and **time**.

The screenshot shows a dark-themed interface for creating a quiz. At the top, there is a text input field labeled "Name" containing "Week 11 Quiz". Below this is a date and time picker. A red box highlights the date and time selection area, which includes a calendar for October 2019 and a time selector set to 11:59 pm. A red circle with the number 11 is positioned to the left of the date and time picker. Below the date and time picker, there is a checkbox labeled "Timed assessment:" which is currently unchecked. To the right of the checkbox is a time limit input field set to "1:00" with a clock icon to its right.

12. Under the **Due date, Timed Assessment** may be selected by clicking on the **box** to the left. It will allow you to specify a time limit by click on the **box** to the right.

The screenshot shows the "Timed assessment:" section of the quiz creation interface. A red box highlights the checked checkbox and the time limit input field, which is set to "1:00" and has a clock icon to its right. A red circle with the number 12 is positioned to the left of the checkbox.

13. Scroll down to view the list of **topics** available to be included in the quiz.

NOTE: Only the topics up to the week the quiz is being added to will be displayed.

- a. The number of available quiz questions for each topic is displayed beneath the text boxes.

What's going to be on the quiz?

Indicate the number of questions you would like for the modules below. To select topics individually, expand the module.

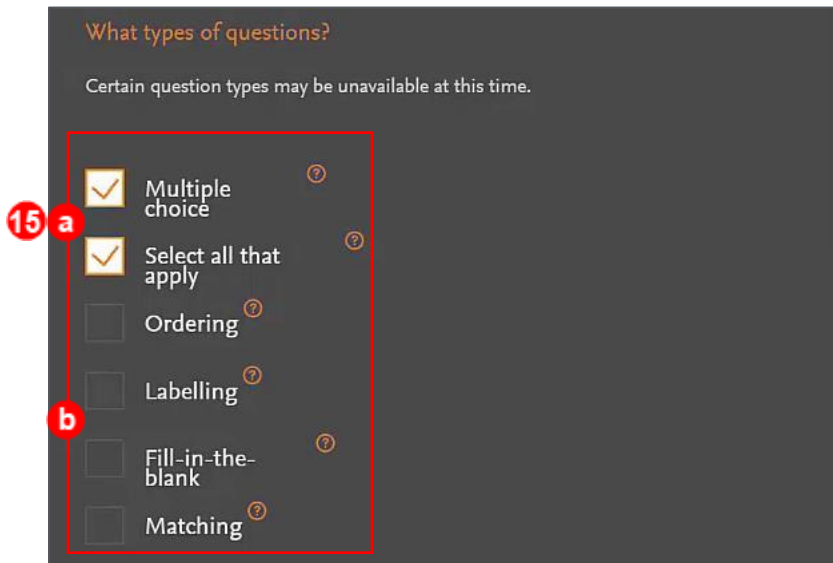

Module	# of questions
Professional Nursing, Theory, and Leadership 0 out of 13 topics included	<input type="text" value="0"/> 50 available
Beliefs, Values and Caring 0 out of 5 topics included	<input type="text" value="0"/> 25 available
Communication and Collaboration 0 out of 6 topics included	<input type="text" value="0"/> 25 available

14. In the text boxes, type the number of questions from each topic you want to be included in the quiz.

Beliefs, Values and Caring 5 out of 5 topics included	<input type="text" value="6"/> 25 available
Communication and Collaboration 6 out of 6 topics included	<input type="text" value="10"/> 25 available
Critical Thinking and Evidence-Based Practice 8 out of 8 topics included	<input type="text" value="4"/> 50 available

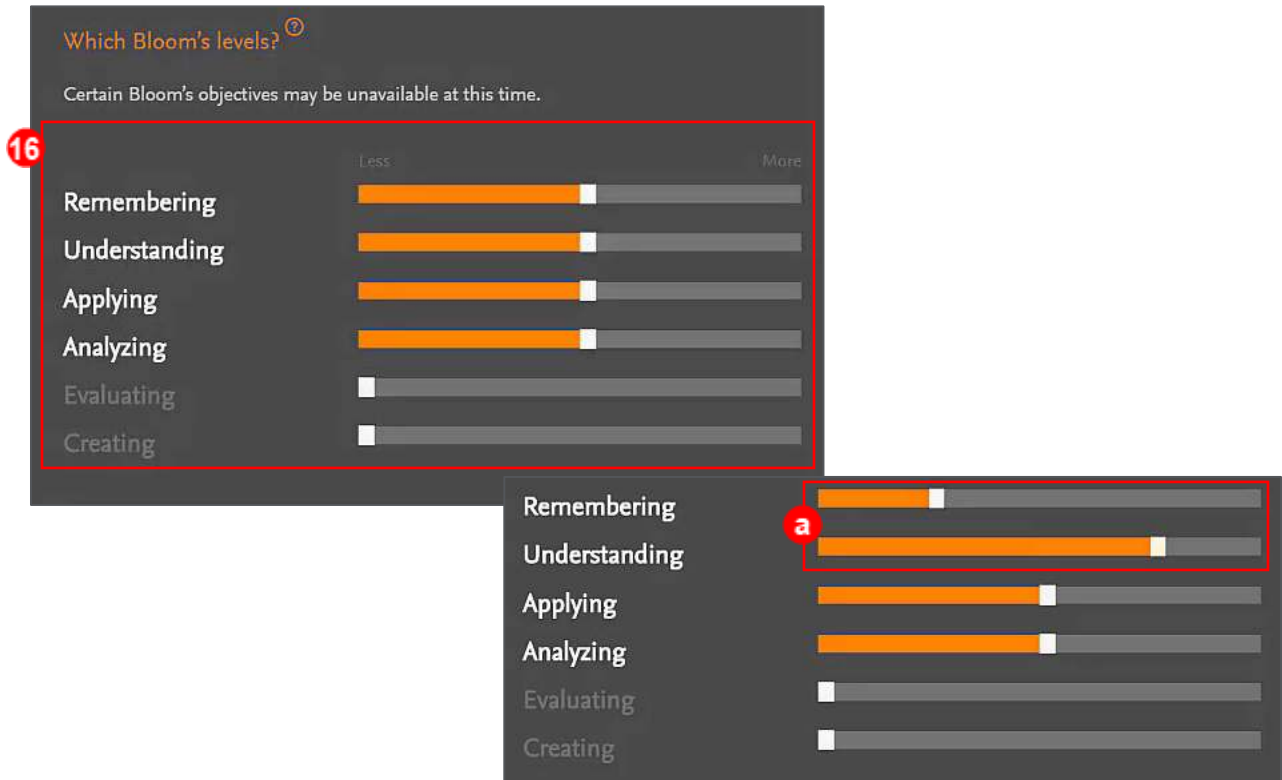

15. When finished adding questions, scroll down to **What types of questions?**.

- a. The available types are preselected but can be deselected by clicking the **checkmarks**.
- b. The greyed out checkboxes indicate there are no questions available for those types.

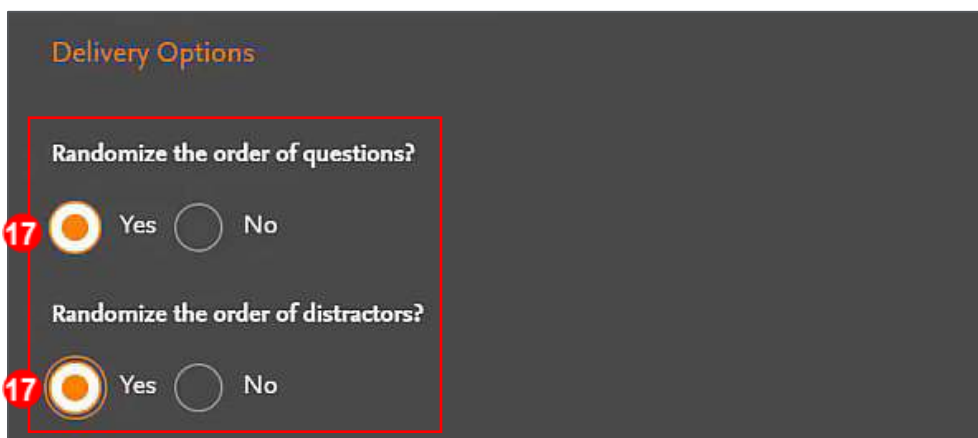

16. Next, scroll down to **Which Bloom's levels?**.

- a. The available level objectives are preselected but can be adjusted by clicking on the **orange level bars** and dragging them to increase or decrease.

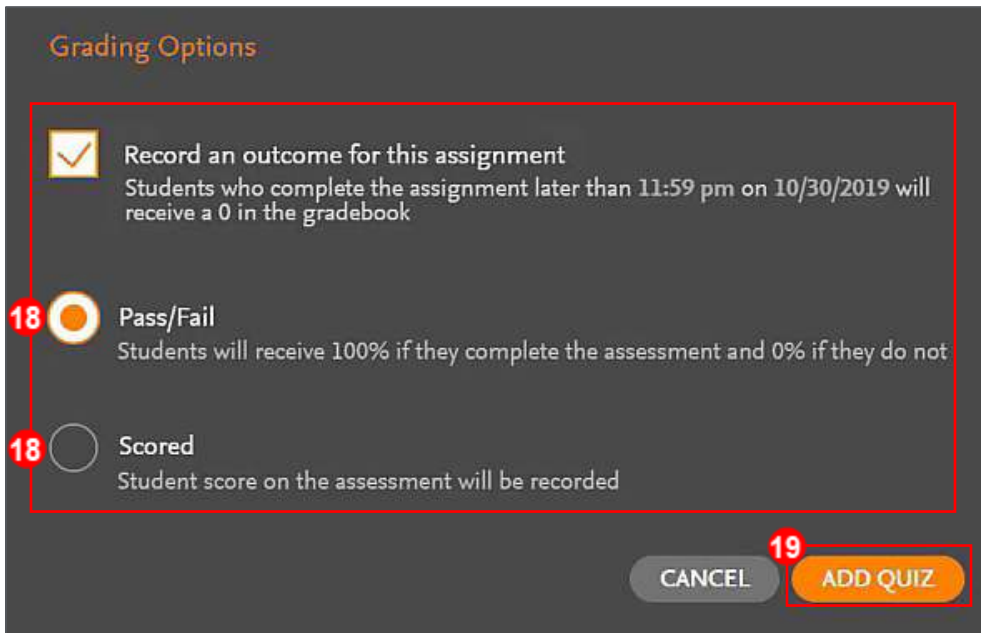

17. Scroll down to **Delivery Options** where the order of questions and distractors (*wrong answers*) can be randomized (*if desired*) by clicking the **Yes radio buttons**.

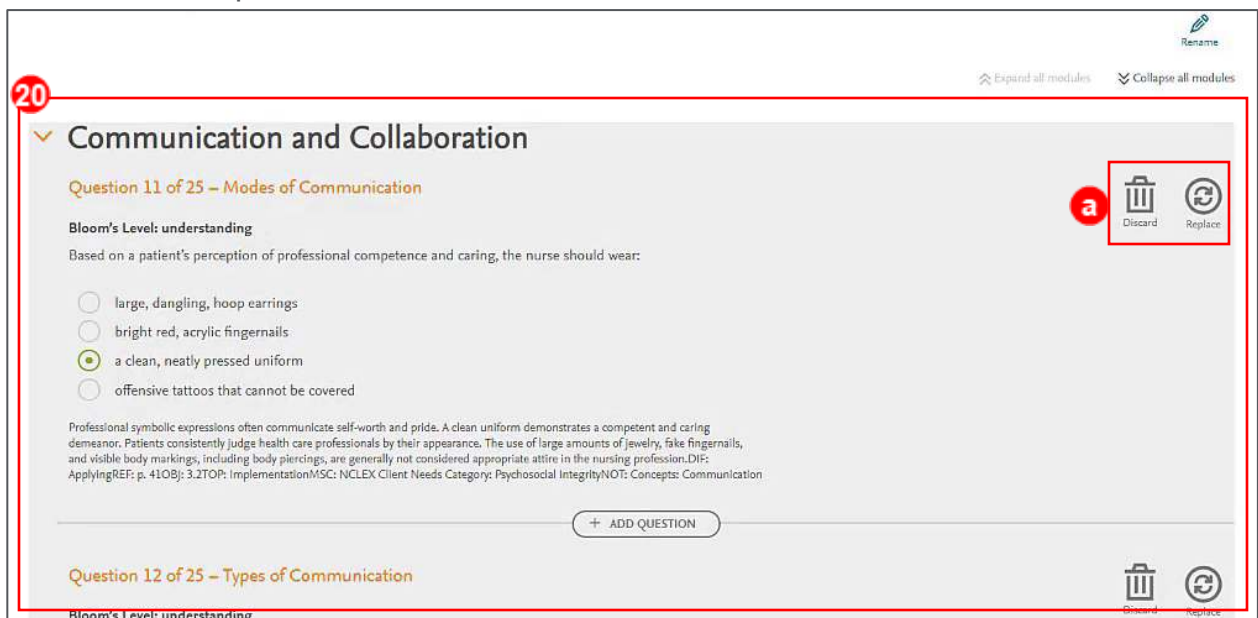

18. The final step is to select the **Grading Options** from **Pass/Fail** or **Scored**.

19. Then click **ADD QUIZ** in the lower right corner.

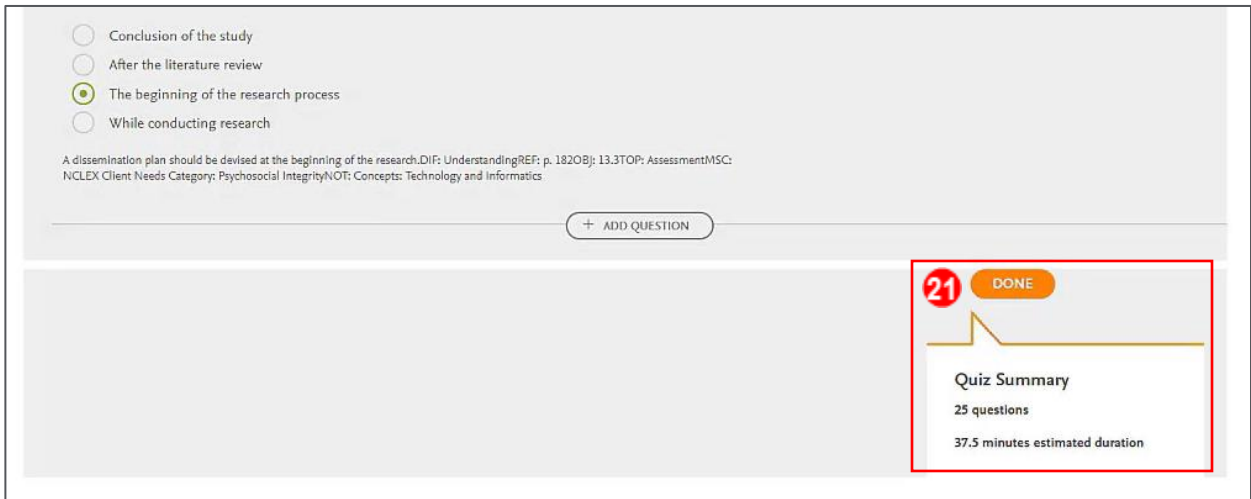

20. The full quiz with questions, answers and rationales appears in the Sherpath window.

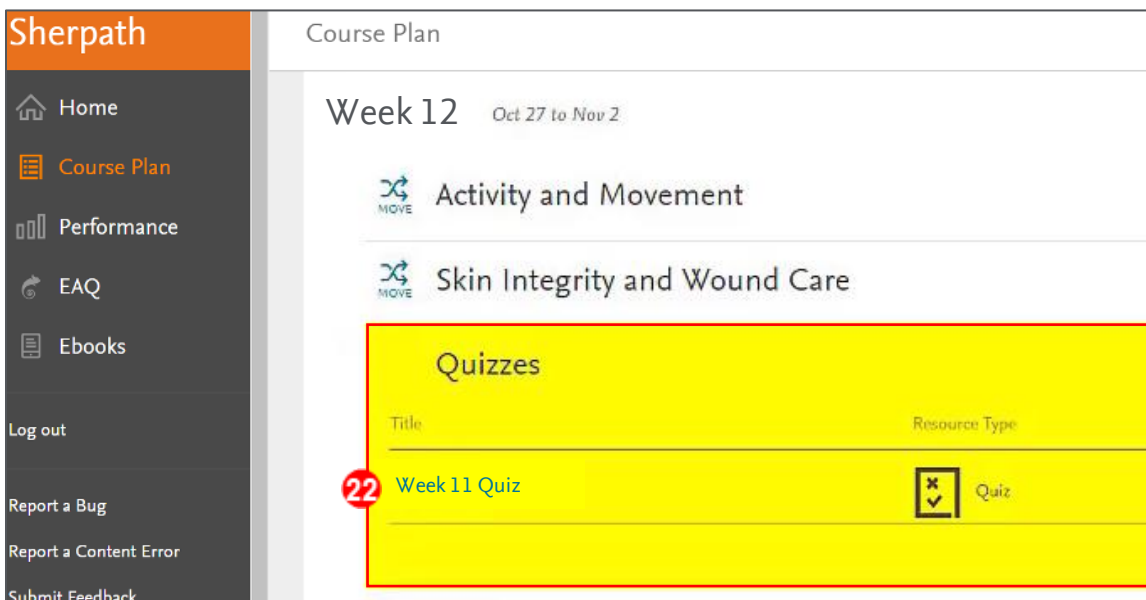

- Questions can be replaced or discarded by clicking on the **icons** to the right of each question.

21. When finished editing, scroll down to the bottom of the quiz and click **DONE** in the lower right corner.

22. You will automatically be returned to the **Course Plan** page where your new quiz has appeared in the **Quizzes** section dropdown under the week it is due.

Viewing a Performance Report for an NAQ Quiz

23. To view Performance for a quiz, click the **Home** option from the menu on the left.

NOTE: Once the due date has passed, the Performance Report for the quiz will populate on the Home page, to the right of the quiz.

24. Click the **Performance Report Chart icon** to view your student’s scores, as well as analytics pertaining to the quiz.

Due	Resource Type	Title	# of Incomplete Students (out of 5)	Performance Report
