

HESI™ Compass® Student Orientation: Course Wrap-Up

1. After working through your personalized study materials, you will then take another HESI Exit Exam. This is a 160-question HESI Exit exam modeled on NCLEX test plan. This exam is scheduled in advance and will either be administered and proctored by your school faculty or remotely proctored. This HESI Exam will count as your Final HESI Compass Exam.
2. After completing the final HESI Exit exam, the Course Wrap-Up page will now have unlocked content. This is located at the bottom of the Study Plan page. Click on **Course Wrap-Up**.

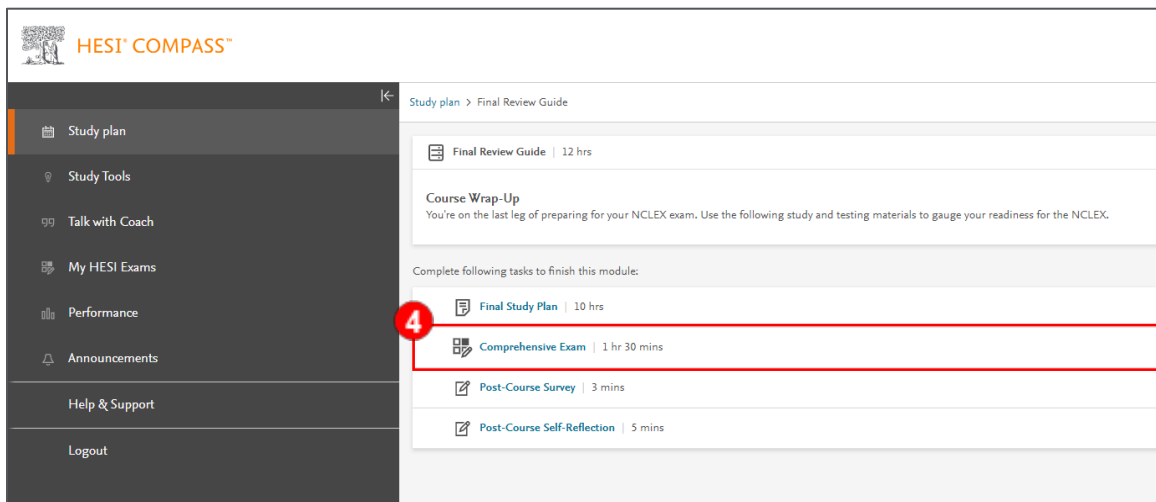

3. Your Compass Final HESI Exam scores will be used to generate a new personalized **Final Study Plan**. This Final Study Plan is structured the same way the Midcourse Personalized Content is. It contains custom quizzes and case studies that you can continue to use after your Compass

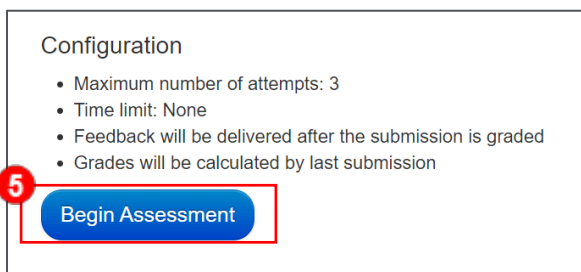

course ends to prepare for your NCLEX exam.

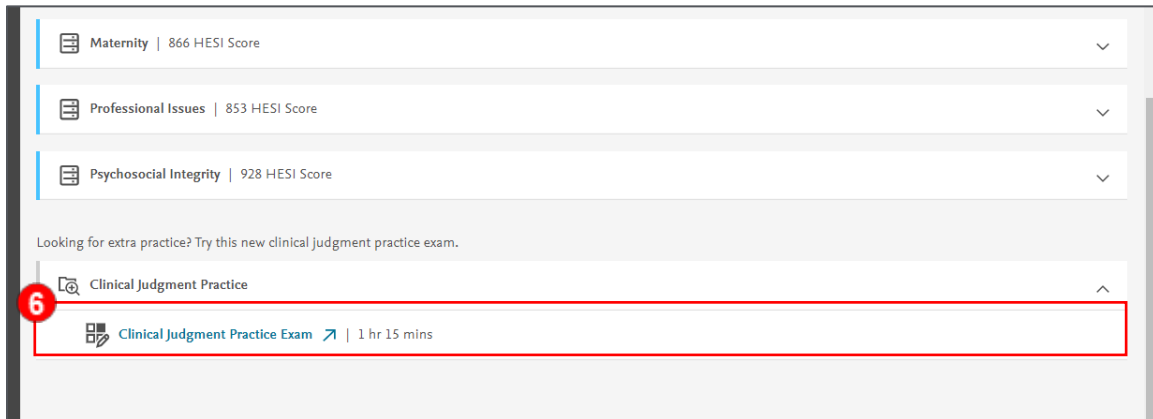

4. The course wrap-up also includes a 263-item Comprehensive Exam. This exam is a great way to practice for NCLEX. This exam will allow 3 attempts and no time limit.

5. Press **Begin Assessment** when you are ready to take the exam. Please note, your coach may direct you to this exam as practice throughout the course. Your scores will populate in the gradebook.

- At the end of the Final Study Plan, you will have access to a Clinical Judgment Practice Exam. This exam will knowledge questions and a Clinical Judgment Case Study.

- At the end of your Compass course, you will have access to a post-course survey to provide feedback on your experience. You will also be able to complete a post-course self-reflection. You will have access to your Compass course for 90 days after the Final Exam so that you have a personalized study resource helping you bridge the gap between graduation and taking the NCLEX. This includes the Modules and content review, Module Exams (up to 4 attempts), Personalized Quizzes (1 attempt) and Case Studies (3 attempts).
