   b. Once in a folder, to start on an assignment, click on its title.

Taking Practice Tests Assignments

NOTE: Practice Tests and Quizzes are designed to assess knowledge in specific concepts using application-based questions.

1. Click the **Start exam** or **Start quiz** button on the first page to begin.
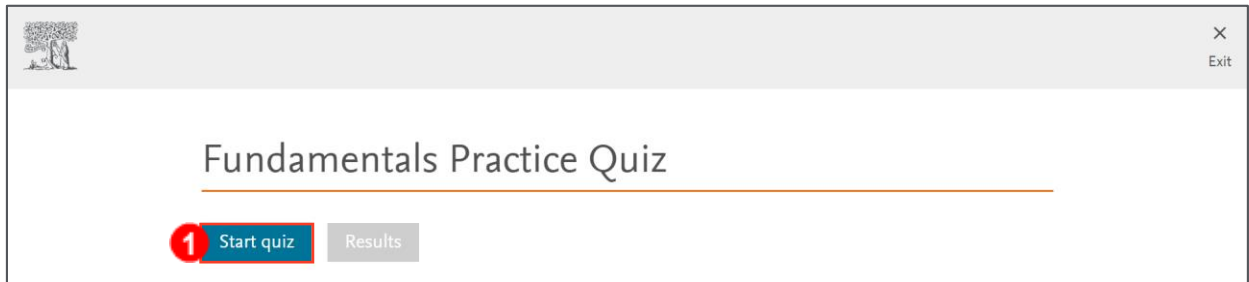

2. Questions will be displayed one at a time. The **Submit** button must be clicked after each answer.

   **NOTE:** Backtracking to previous questions and skipping questions are not allowed.

3. When taking a test or quiz, the question number *(a)*, total number of questions *(b)*, question type *(c)*, and a short explanation of how to answer that question type *(d)* are displayed.
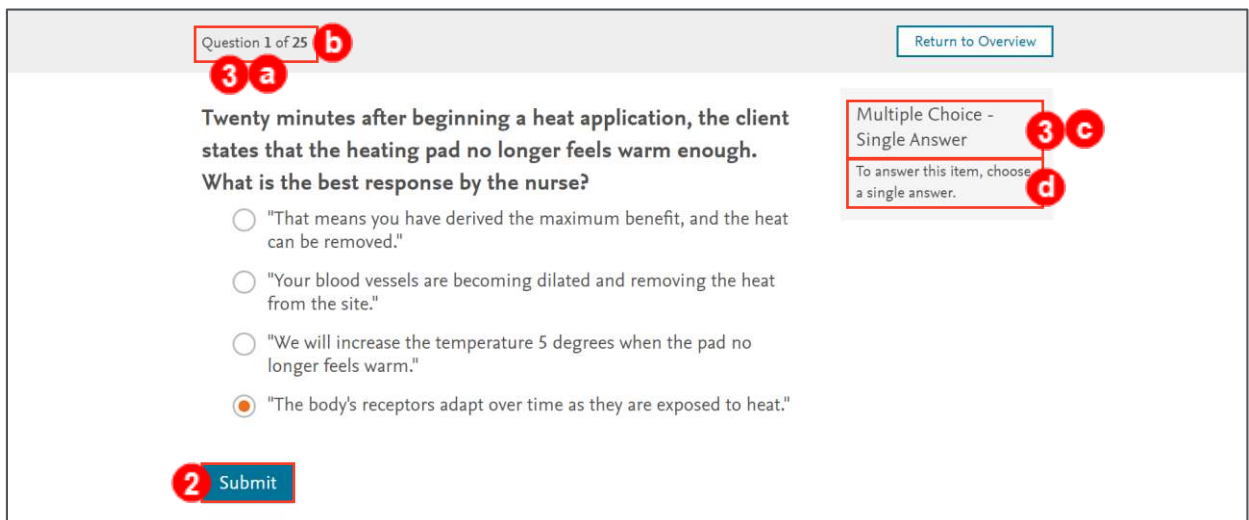

4. Upon completion, the score will be displayed.

   a. **Correct** and **Incorrect** tabs are also available to review the correct and incorrect answers and rationales.

5. Click the **Return to Overview** button to return to the first page of the test or quiz.

6. After returning to the overview page, to retake the quiz or test, click the **Start exam** or **Start quiz** button.

   NOTE: Ask your instructor if retaking the test or quiz will alter your grade.

7. To exit, click **X** in the upper-right corner.
